'HAPPY FACE WELCOME ACTIVITY'

1ST JULY, 2026

Delhi Public School Kamptee Road, Nagpur organised a cheerful 'Happy Face Welcome Activity' for the students of Grade I on 1st July, 2026. The activity was conducted to make the students' first day of school joyful, memorable and exciting, helping them feel comfortable and confident as they embarked on a new academic journey.

Each student was given a colourful smiley face cut-out, which they creatively decorated using bows and various craft materials. They enthusiastically wrote the message, 'We Are Ready to Shine', expressing their excitement and eagerness to learn. The activity encouraged creativity, enhanced fine motor skills and created a warm and welcoming classroom atmosphere.

The beautifully decorated smiley faces were taken home by the students as a keepsake of their first day at school. The activity filled the classrooms with smiles and positivity, reminding every child that they are ready to learn, grow and shine throughout the academic year.

The welcome activity proved to be a delightful beginning to the new session, making the students feel valued, encouraged and enthusiastic about the exciting learning experiences that lie ahead.
