### **HOUSE ACTIVITY -III TO V**

**4<sup>TH</sup> JULY, 2026**

Delhi Public School Kamptee Road, Nagpur organised a series of creative House Activities for the students of Grades III to V as a part of the school's '20 Years of Excellence' celebrations. The activities were thoughtfully planned to encourage creativity, teamwork and a sense of belonging while commemorating the school's remarkable journey of two decades of academic excellence.

The students of Grade III participated in the activity 'Create a School Garden with Thumbprints'. Using colourful thumb impressions, they created vibrant flowers, butterflies, trees and other nature-inspired elements to design a beautiful school garden. Each artwork carried the message, 'We Grow Together in Our School', symbolising unity, friendship and collective growth. The activity fostered creativity, fine motor skills and environmental awareness.

The students of Grade IV celebrated the occasion by designing an attractive 'Number 20 Mosaic Art'. They creatively filled the numeral '20' with colourful paper cut-outs in various geometric shapes, reflecting precision, patience and artistic expression. Meanwhile, the students of Grade V prepared colourful paper lanterns decorated with the number '20' and heartfelt anniversary messages expressing their pride, gratitude and best wishes for the school. The lanterns beautifully adorned the classrooms and corridors, adding a festive spirit to the campus.

The House Activities witnessed enthusiastic participation from all students. Their creativity, cooperation and dedication made the celebrations vibrant and memorable. The event not only enhanced artistic and collaborative skills but also strengthened the spirit of unity and pride as the students joyfully celebrated the school's milestone of twenty years of excellence.
