

DELHI PUBLIC SCHOOL KAMPTEE ROAD, NAGPUR

WORLD CHOCOLATE DAY ACTIVITY

7TH JULY, 2026

Delhi Public School Kamptee Road, Nagpur celebrated World Chocolate Day with the students of Grade Nursery on 7th July, 2026 through a fun-filled and educational activity. The celebration aimed to introduce children to the journey of chocolate making while encouraging healthy eating habits in an engaging and interactive manner.

The little learners explored the origin of chocolate through an informative smart board presentation and learnt how chocolates can be made healthier by adding nutritious ingredients such as almonds, cashews, raisins and honey. They enthusiastically observed the process of melting chocolate, mixing the ingredients, pouring the mixture into moulds, demoulding it and finally enjoying their delicious homemade chocolate treats. The hands-on activity made learning enjoyable and memorable for the young learners.

Overall, the celebration was a delightful blend of learning and fun. It helped the children understand the journey of chocolate from cocoa beans to tasty treats while reinforcing the importance of making healthy food choices through experiential learning.

Learning becomes
sweeter when
celebrated with
