WALL HANGING MAKING ACTIVITY GRADE: II

18TH JULY 2026

To commemorate the auspicious occasion of Founder's Day, the students of Grade II, Delhi Public School Kamptee Road, Nagpur enthusiastically participated in a Wall Hanging Making Activity, transforming their classrooms into vibrant spaces of creativity, gratitude, and collective expression. The activity was thoughtfully designed to cultivate artistic imagination, strengthen the spirit of collaboration, and deepen the students' sense of pride and belonging towards their alma mater.

Guided by their teachers, the young learners crafted exquisite wall hangings adorned with heartfelt messages and thoughtfully composed quotations expressing their admiration, gratitude, and affection for the school. Each student contributed with remarkable enthusiasm, and their creative expressions were artistically arranged on an elegantly designed gate-shaped cut-out, symbolising the institution as a welcoming gateway to knowledge, values, and excellence.

The collaborative display was further enhanced with a beautifully crafted 'Happy Founder's Day' wall hanging, seamlessly uniting the individual contributions into a harmonious masterpiece that adorned every Grade II classroom. The colourful creations stood as a testament to the students' creativity, teamwork, and emotional connection with the institution.

More than an artistic endeavour, the activity evolved into a meaningful tribute to the visionary ideals of the school's founders. It inspired the students to cherish the values of gratitude, unity, and institutional pride while reinforcing the enduring belief that a strong foundation of appreciation and collective effort nurtures excellence and lifelong learning.

**EVERY CHILD HAS A STORY
TO TELL!**

The students of Grade II celebrated their individuality through the 'All About Me' activity, creating colourful crowns that reflected their unique personalities. As they confidently introduced themselves and shared interesting facts, the activity fostered self-expression, creativity, confidence and meaningful classroom connections in a joyful and welcoming environment.
