ASSEMBLY ON TAKING RESPONSIBILITY – THE KEY TO SUCCESS

22ND JULY, 2026

Delhi Public School Kamptee Road, Nagpur conducted an assembly on 22nd July, 2026 on the theme 'Taking Responsibility – The Key to Success', presented by the students of Grade VIII-D. The assembly aimed to encourage the students to understand the importance of responsibility, accountability and commitment in achieving success in every aspect of life.

The assembly began with a positive affirmation, followed by a soulful prayer and an introduction to the theme. The highlight of the assembly was a meaningful skit titled 'The Project That Taught Us', in which two groups of students portrayed the importance of taking responsibility. While one group completed their project successfully through teamwork and accountability, the other faced challenges due to negligence but learnt valuable lessons and succeeded in their next attempt. The presentation was followed by the thought for the day with its explanation and the presentation of the day's news.

Overall, the assembly conveyed a valuable life lesson and inspired the students to become responsible and dependable individuals.
