RED DAY CELEBRATION

23RD JULY, 2026

Dressed in Red, Full of Joy – Red Day for Girls and Boys!

Delhi Public School Kamptee Road, Nagpur, witnessed an enchanting celebration of Red Day on 23rd July 2026, as the vibrant Pre-Nursery classrooms came alive in a delightful sea of crimson hues. Adorned in cheerful shades of red, the young learners radiated innocence and excitement, transforming the learning environment into a captivating canvas of colour, laughter and boundless enthusiasm. The celebration was thoughtfully designed to strengthen colour recognition while fostering joyful participation through meaningful experiential learning.

The tiny tots enthusiastically immersed themselves in a series of engaging hands-on activities, including sponge dabbing, torn-paper collage work and paper-crumbling art, each nurturing their creativity, imagination, and fine motor skills. Adding a healthy dimension to the celebration, the children brought an assortment of nutritious red fruits and snacks, which they happily shared with their classmates, reinforcing the values of healthy eating, generosity and togetherness.

The celebration beautifully blended learning with merriment, leaving the little learners enriched with memorable experiences and a deeper appreciation of colours through play. Red Day proved to be a vibrant celebration of creativity, collaboration and joyful discovery, making it a truly memorable milestone in the children's early learning journey.
