

DELHI PUBLIC SCHOOL KAMPTÉE ROAD, NAGPUR

CLAY MODELLING ACTIVITY

21ST AUGUST, 2026

The students of Pre-Nursery of Delhi Public School Kamptee Road, Nagpur enthusiastically participated in a Clay Modelling Activity based on the theme 'Nature'. The Pre-Nursery students explored clay through rolling, pinching, pressing and shaping, creating simple nature-inspired forms with their little hands and vivid imagination.

The activity provided the young learners with an opportunity to express their creativity while developing fine motor skills, hand-eye coordination, sensory awareness and imagination. The students participated with great excitement and curiosity as they experimented with the clay and transformed it into their own creative forms.

The activity was a joyful and engaging learning experience that beautifully blended creativity, exploration and learning. It encouraged the little learners to express themselves freely and made the session a memorable experience for the young artists.

DELHI PUBLIC SCHOOL

KAMPTEE ROAD, NAGPUR

CLAY MODELLING ACTIVITY

THEME: NATURE

Squish, Shape & Create – Nature Comes Alive

Our little learners enjoyed moulding and shaping clay to create beautiful things from nature.

This activity enhanced their creativity, fine motor skills and love for the natural world.
