COLOURS OF ONAM

25TH AUGUST, 2026

The students of Nursery of Delhi Public School Kamptee Road, Nagpur celebrated Onam with great enthusiasm through a delightful range of hands-on activities that introduced them to the vibrant colours, traditions and cultural heritage of Kerala. The young learners participated actively and enjoyed exploring the festive spirit through creativity and play.

The students created beautiful Pookalams using fresh flowers, explored the traditional Vallam Kali (boat race) through a colouring activity, and crafted colourful Kathakali masks. Through engaging conversations and stories, the teachers also familiarised the students with the customs and celebrations associated with Onam.

The activities provided a joyful and meaningful learning experience, encouraging creativity, exploration and active participation. The celebration helped the little learners appreciate the beauty of Kerala's traditions while enjoying a colourful and memorable Onam experience.
