

DELHI PUBLIC SCHOOL KAMPTEE ROAD, NAGPUR

WORLD FIRST AID DAY CELEBRATION

10TH SEPTEMBER, 2026

Delhi Public School Kamptee Road, Nagpur observed World First Aid Day on 10th September 2026, with the aim of sensitising young learners to the significance of first aid and the importance of preparedness during emergencies. The World First Aid Day celebration provided an enriching platform for students to understand that timely and appropriate assistance can play a vital role in responding to minor injuries and unforeseen situations. The young learners participated with remarkable enthusiasm in a hands-on activity of creating their own first-aid boxes, while acquainting themselves with the essential items that constitute a basic first-aid kit.

Adding a practical dimension to the learning experience, the school nurse conducted an engaging demonstration of simple and essential first-aid techniques. The students observed the procedures attentively and actively participated by raising thoughtful questions, thereby gaining a clearer understanding of the appropriate ways to respond to common emergencies. The demonstration transformed an important life skill into an accessible and meaningful learning experience, reinforcing the idea that awareness, composure, and timely action are invaluable in situations that require immediate assistance.

The celebration culminated in a powerful message of alertness, preparedness, responsibility and compassion. The students learnt that first aid is not merely a set of techniques but an essential life skill that empowers individuals to respond sensibly and care for others when circumstances demand it. Through this purposeful and experiential activity, the young learners developed a deeper sense of social responsibility and empathy, carrying forward the enduring message to stay alert, stay prepared and always seek appropriate medical assistance when required.
