

DELHI PUBLIC SCHOOL KAMPTEE ROAD, NAGPUR

EDUCATIONAL VISIT TO AIR FORCE MUSEUM

9TH & 10TH SEPTEMBER, 2026

Delhi Public School Kamptee Road, Nagpur organised an Educational Visit to the Air Force Museum, Headquarters Maintenance Command, Vayusena Nagar, Nagpur for the students of Grade VIII on 9th and 10th September, 2026. The students of sections A to E visited the museum on 9th September, while Sections F to J visited on 10th September. The visit aimed to provide students with an experiential learning opportunity and deepen their understanding of the history, achievements and technological advancements of the Indian Air Force.

During the visit, students explored a wide range of exhibits, including the Mi-8 helicopter, MiG-21 fighter aircraft, Pechora missile system, aircraft engines, guns, weaponry and a 3D runway model. One of the major attractions was the flying simulator, which gave students an exciting hands-on experience of flying. The audio-visual presentations further enhanced their understanding of military aviation and the vital role of the Indian Air Force in safeguarding the nation.

Overall, the educational visit was informative, engaging and inspiring. It helped students connect classroom learning with real-life experiences while fostering patriotism, discipline, courage and respect for the dedication and service of the Indian Armed Forces.
