

DELHI PUBLIC SCHOOL KAMPTEE ROAD, NAGPUR

WORLD RHINO DAY ACTIVITY 22ND SEPTEMBER, 2026

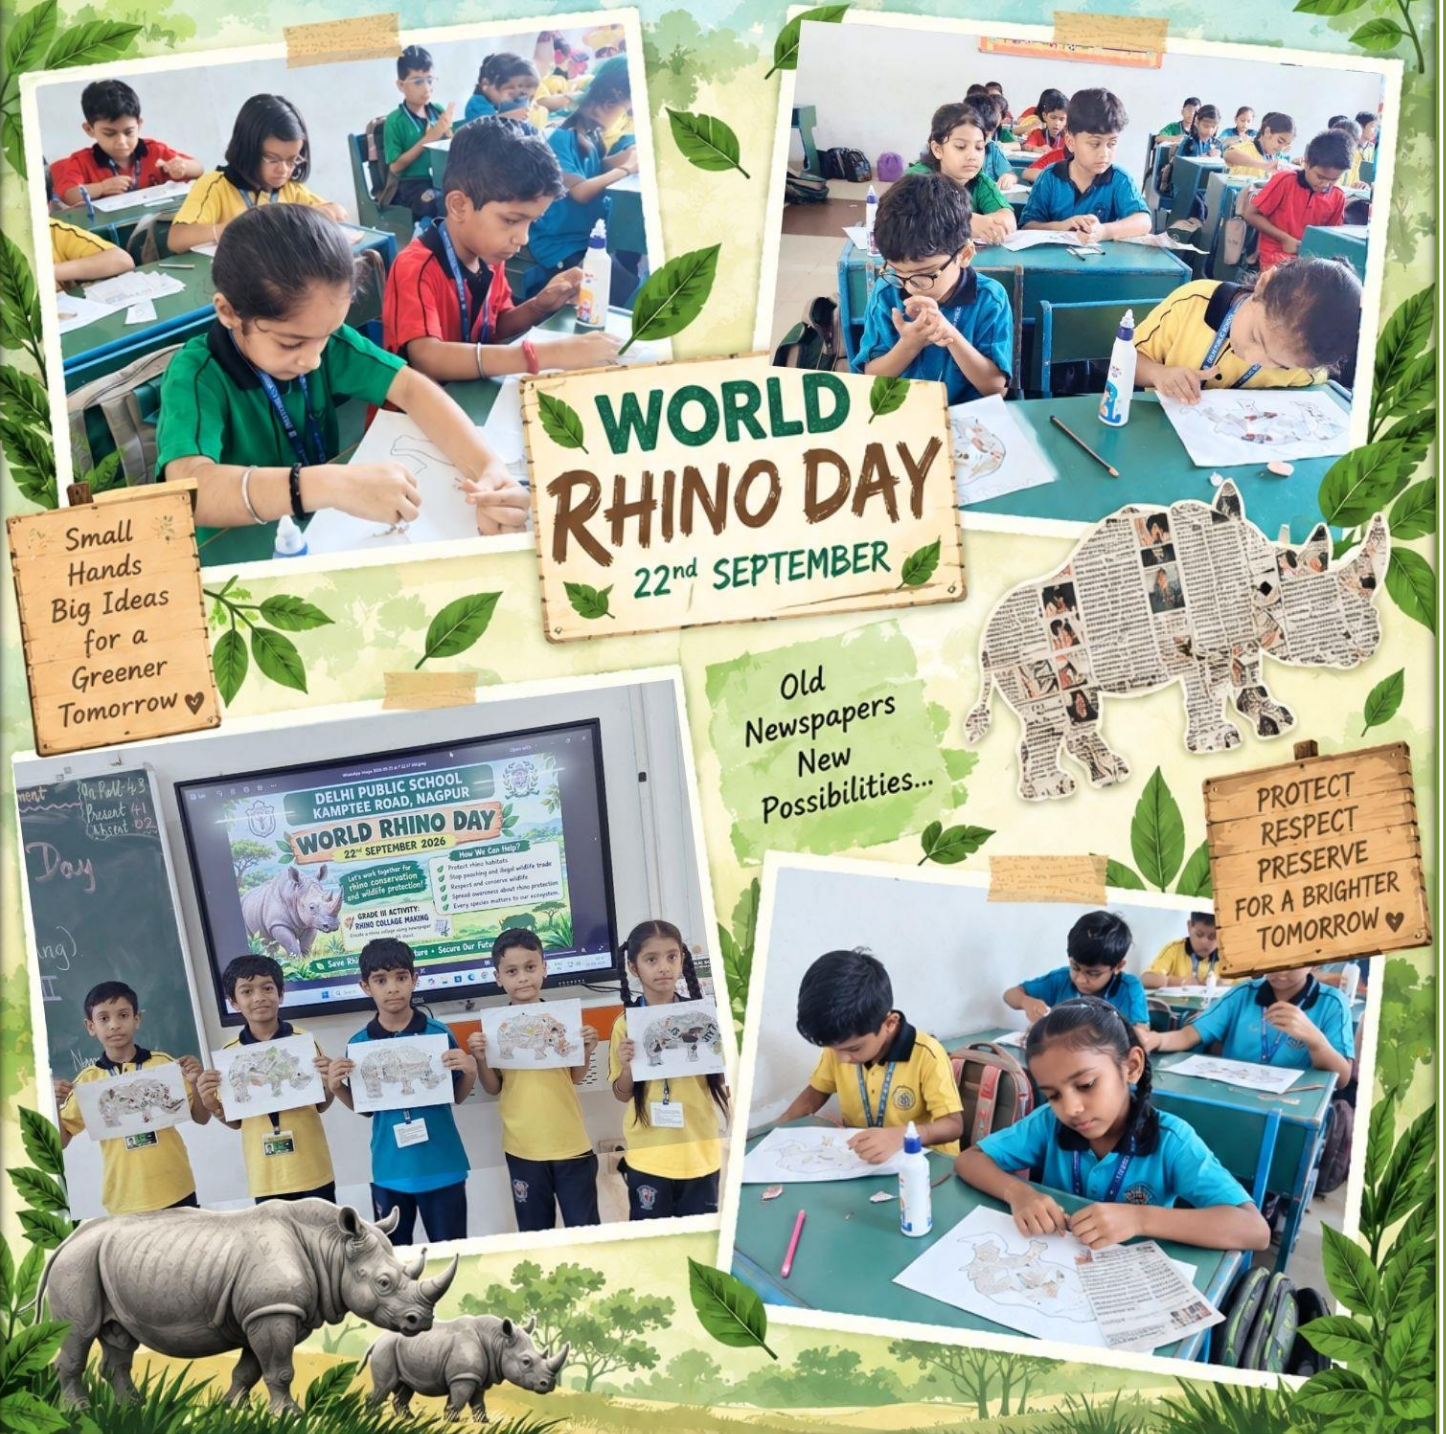

To commemorate World Rhino Day, the students of Grade III of Delhi Public School Kamptee Road, Nagpur participated in a creative and meaningful Rhino Collage-Making Activity. The activity aimed to promote environmental awareness and help the students understand the importance of protecting rhinos and conserving wildlife.

The students used pieces of old newspapers to create beautiful rhino collages. The activity encouraged them to reuse waste materials creatively while developing their artistic skills and reinforcing the importance of recycling and responsible environmental practices.

The students participated with great enthusiasm and showcased their creativity through their colourful and imaginative collages. The activity provided an enjoyable learning experience while spreading the important message of rhino conservation, wildlife protection and care for the environment.

DELHI PUBLIC SCHOOL
KAMPTÉE ROAD, NAGPUR

Crafting for Conservation!

The young learners of Grade III marked World Rhino Day through a creative Rhino Collage-Making Activity using old newspapers. Blending art with environmental awareness, the activity encouraged the students to recycle creatively while learning about rhino conservation, wildlife protection and the importance of caring for our planet through responsible everyday practices.
