

DELHI PUBLIC SCHOOL KAMPTEE ROAD, NAGPUR

MODAK MAGIC

24TH SEPTEMBER, 2026

Delhi Public School Kamptee Road, Nagpur organised a creative and engaging 'Modak Magic' activity for the students of Grade I to celebrate the auspicious festival of Ganesh Chaturthi. The students enthusiastically decorated modak illustrations using crayons and creative patterns and also solved an engaging puzzle.

The activity provided the young learners with a joyful opportunity to learn about the cultural significance of the festival while expressing their creativity and developing their problem-solving skills. It also helped strengthen their imagination and fine motor skills.

The activity further enhanced the students' colour-recognition abilities and hand-eye coordination. The enthusiastic participation of the students made the session an enjoyable and enriching learning experience, beautifully combining creativity, cultural awareness and skill development.
