

DELHI PUBLIC SCHOOL KAMPTEE ROAD, NAGPUR

WORLD RIVERS DAY ACTIVITY

24TH SEPTEMBER, 2026

Delhi Public School Kamptee Road, Nagpur organised an engaging group activity for the students of Grade IV to commemorate World Rivers Day. The activity aimed to help the students understand the importance of rivers and their vital role in sustaining life.

The students were divided into small groups, with each group selecting an Indian river and gathering information about its origin, the states through which it flows, its importance and major uses. The groups also composed short poems on their chosen rivers in English, Hindi or Marathi, adding a creative dimension to the learning experience.

The students presented their research and poems creatively before the class. The activity encouraged teamwork, research skills, creativity and effective communication while promoting environmental awareness. It also helped the students understand that rivers are valuable natural resources and that protecting them is a shared responsibility.

The activity was an engaging and enriching learning experience that enabled the students to explore India's rivers while collaborating with their peers. It successfully combined research, creativity and teamwork, leaving the students with a deeper appreciation for the importance of conserving our precious water resources.
