

DELHI PUBLIC SCHOOL KAMPTÉE ROAD, NAGPUR

WORLD ANIMAL WELFARE DAY

3RD OCTOBER, 2026

Delhi Public School Kamptee Road, Nagpur conducted engaging House Activities for the students of Grades III to V to commemorate World Animal Welfare Day. The activities provided the students with meaningful opportunities to learn about animals, express compassion towards them and explore simple ways to protect and care for them.

The students of Grade III participated in the Mask and Message activity, creating colourful masks of their favourite animals such as elephants, dogs, tigers, pandas and cows. They also shared interesting facts about their chosen animals along with simple messages on how they could be protected and cared for. The activity encouraged creativity, confidence and kindness towards animals.

The students of Grade IV participated in the 'PAWsitive Change - Animal Welfare Challenge', which comprised four meaningful tasks - Know Me, Understand Me, Help Me and Hear Me. They researched facts about their assigned animals, identified the problems faced by them, suggested practical ways to help and delivered short messages by speaking from the animals' perspectives. The activity fostered awareness, empathy, communication skills and a sense of responsibility towards animals.

The students of Grade V took part in 'Think • Create • Protect' - 3D Animal Habitat Model. Working in groups, they created colourful three-dimensional models of natural animal habitats using recyclable and easily available materials. Each model represented the essential needs of animals - food, water, shelter and protection. The activity promoted teamwork, creativity and environmental awareness while helping students understand the importance of protecting natural habitats.
