

DELHI PUBLIC SCHOOL KAMPTEE ROAD, NAGPUR

ASSEMBLY ON THE THREE LIFELINES OF THE EARTH 7TH OCTOBER, 2026

The students of Nursery Catfish of Delhi Public School Kamptee Road, Nagpur conducted an engaging assembly on the theme 'The Three Lifelines of the Earth - Land, Air and Water' on 7th October, 2026. The assembly highlighted the importance of these three essential elements and their role in supporting life on our planet.

Through an informative skit and a lively dance performance, the young learners beautifully portrayed the need to respect and protect our natural resources. The students also shared simple and meaningful ways to conserve water, plant and protect trees, keep the air clean, reduce pollution and maintain clean surroundings.

The assembly concluded with the meaningful message that every small effort counts and that collective action can help save, protect and heal our Earth. It was an engaging and enriching learning experience that encouraged the young learners to contribute towards a greener and healthier future.
