ASSEMBLY ON SUPERHERO QUALITIES WE ALL HAVE 09TH OCTOBER, 2026

The students of Grade I-Orange of Delhi Public School Kamptee Road, Nagpur conducted a lively morning assembly on the theme 'Superhero Qualities We All Have' on 9th October, 2026. Dressed in colourful superhero capes, the young learners enthusiastically demonstrated that true superpowers lie not in fictional abilities, but in the positive actions we practise every day.

Through expressive speaking and creative signs, the students highlighted five essential everyday superpowers - kindness, respect, helpfulness, a smile and courage. They conveyed an inspiring message that true superheroes demonstrate courage, help others with kindness and inspire those around them to shine.

The assembly was an engaging and empowering experience that encouraged the students to recognise the superhero qualities within themselves. It left everyone with a positive message and reminded the young learners that these qualities could be practised every day, both in the classroom and at home.
