

DELHI PUBLIC SCHOOL KAMPTEE ROAD, NAGPUR

ASSEMBLY ON THE ART OF COMMUNICATION IN THE EMOJI AGE 09TH OCTOBER, 2026

Delhi Public School Kamptee Road, Nagpur conducted an assembly on 9th October, 2026 on the theme 'The Art of Communication in the Emoji Age' presented by the students of Grade IX-B. The assembly aimed to highlight the importance of effective communication, empathy and meaningful human connections in today's digital world.

The assembly began with a prayer, followed by a positive affirmation and the thought for the day with its explanation. The highlight of the assembly was an engaging skit that showcased how emojis have become an integral part of digital conversations but cannot always replace genuine emotions and face-to-face interactions. The presentation emphasised the importance of active listening, clarity, patience and empathy while encouraging the students to use technology wisely. The news bulletin further enriched the presentation

Overall, the assembly was engaging and meaningful, reinforcing the values of empathy, respect and mindful communication while highlighting the importance of balancing technology with genuine human connection.

Emotions as Effective Communication

The Art of Communication in the 'Emoji Age'

Grade IX students presented a thought-provoking assembly on “The Art of Communication in the Emoji Age.” Through engaging performances, they explored how emojis and digital expressions have transformed modern communication. The assembly highlighted the importance of meaningful conversations, emotional understanding, and responsible digital communication. An insightful presentation reminding everyone that while emojis express emotions, genuine connections are built through words, empathy, and understanding.
