गुरोरधिकं तत्त्वं न गुरोरधिकं तपः। तत्त्वज्ञानात्  
परं नास्ति तस्मै श्री गुरवे नमः॥

As Dr. A.P.J. Abdul Kalam rightly said, "Teaching is a very noble profession that shapes the character, caliber, and future of an individual."

Today, as we are on the threshold of celebrating TEACHER'S DAY, my heart reaches out to each one of my educators and all those who have played a vital role in shaping a young mind and soul. You are the guiding light in this journey, and I deeply appreciate your tireless efforts. Your patience, dedication, and unwavering commitment have always been the foundation of our school's success. Every lesson you teach, every value you instill, and every encouragement you give leaves a lasting impact on our students' lives.

‘The bond of love is never little’  
GDS-HALOL celebrated the Rakshabandhan festival with unmatched enthusiasm and passion at school. Students wholeheartedly participated in rakhi making and card making competition for this joyous day.  
Raksha Bandhan is a testament to the profound bond shared between brothers and sisters. Falling on the full moon day of Shravana, its significance is deeply rooted in Indian culture. The act of tying the rakhi is a ritual steeped in love, wishes, and pure blessings.

# 79<sup>TH</sup> Independence Day

‘ना पूछो जमाने से  
क्या हमारी कहानी है  
हमारी पहचान तो बस इतनी है  
के हम हिन्दुस्तानी हैं

**GDS-HALOL wishes all of you a very HAPPY INDEPENDENCE DAY.**

This day marks the end of British colonial rule and the birth of a free, independent nation. It's a day to honor the sacrifices of freedom fighters, reflect on the values of liberty and unity, and inspire patriotism and national pride.

At GDS-HALOL we celebrated this glorious day with utmost energy and enthusiasm. The Chief Guest for the day was Naib Subedar Hiren Upadhyay Sir who is a Kargil war veteran. The extravaganza of events included the speeches from our dignitaries, Melodious music and dynamic dance performance. The drill by our very own contingent and the cadets of the defence training was a treat to watch. A joyous moment witnessed by all on this wonderful day.

Our Director Mr. Kiran Mewada Sir encouraged everyone to contribute towards a strong nation building through his motivational Speech.

# श्री कृष्णा जन्माष्टमी

‘मन्दं हसन्तं प्रभया लसन्तं जनस्य चित्तं सततं हरन्तम्।  
वेणुं नितान्तं मधु वादयन्तं बालं मुकुन्दं मनसा स्मरामि’

A bow down to the God of miracles, the lord of mysteries and the divine grace 'Shri Krishna'.

GDS-HALOL celebrated Krishna Janmashtami with great fervour and festivities as the whole campus was emersed into the atmosphere of piousness and reverence.

A special assembly was organized on this special day to commemorate the larger-than-life character of Krishna both as a person and as Jagadguru. The educators presented a marvelous dance show based on the life of Shri Krishna.

The highlight of the celebration was the Matki Phod event. A colorful earthen pot, beautifully decorated with flowers, was tied at a height in the school ground. Students formed human pyramids amid loud cheers of "Govinda Ala Re!" With teamwork and determination, the young participants broke the matki, symbolizing the mischievous yet divine spirit of Lord Krishna.

The atmosphere resonated with claps, bhakti songs and the joyous chants. Students and teachers participated enthusiastically making it a memorable event all together.
