OCTOBER SYNOPSIS

2025-26

FOR THE GLOBALITES

A new dawn rises, painting the sky with promise.
Each day is a blank page, waiting for our dreams, our
courage, our kindness. Let us step forward with hope
in our hearts and purpose in our stride.

For every ending is but the start of something
beautiful. A chance to grow, to learn, to shine brighter
than before.

Together, let's fill our school with laughter,
compassion, and curiosity. Let challenges become our
teachers and success our shared celebration.

May this new beginning bring renewed energy,
boundless creativity, and the joy of discovering our
best selves.

NATIONAL POSTAL DAY

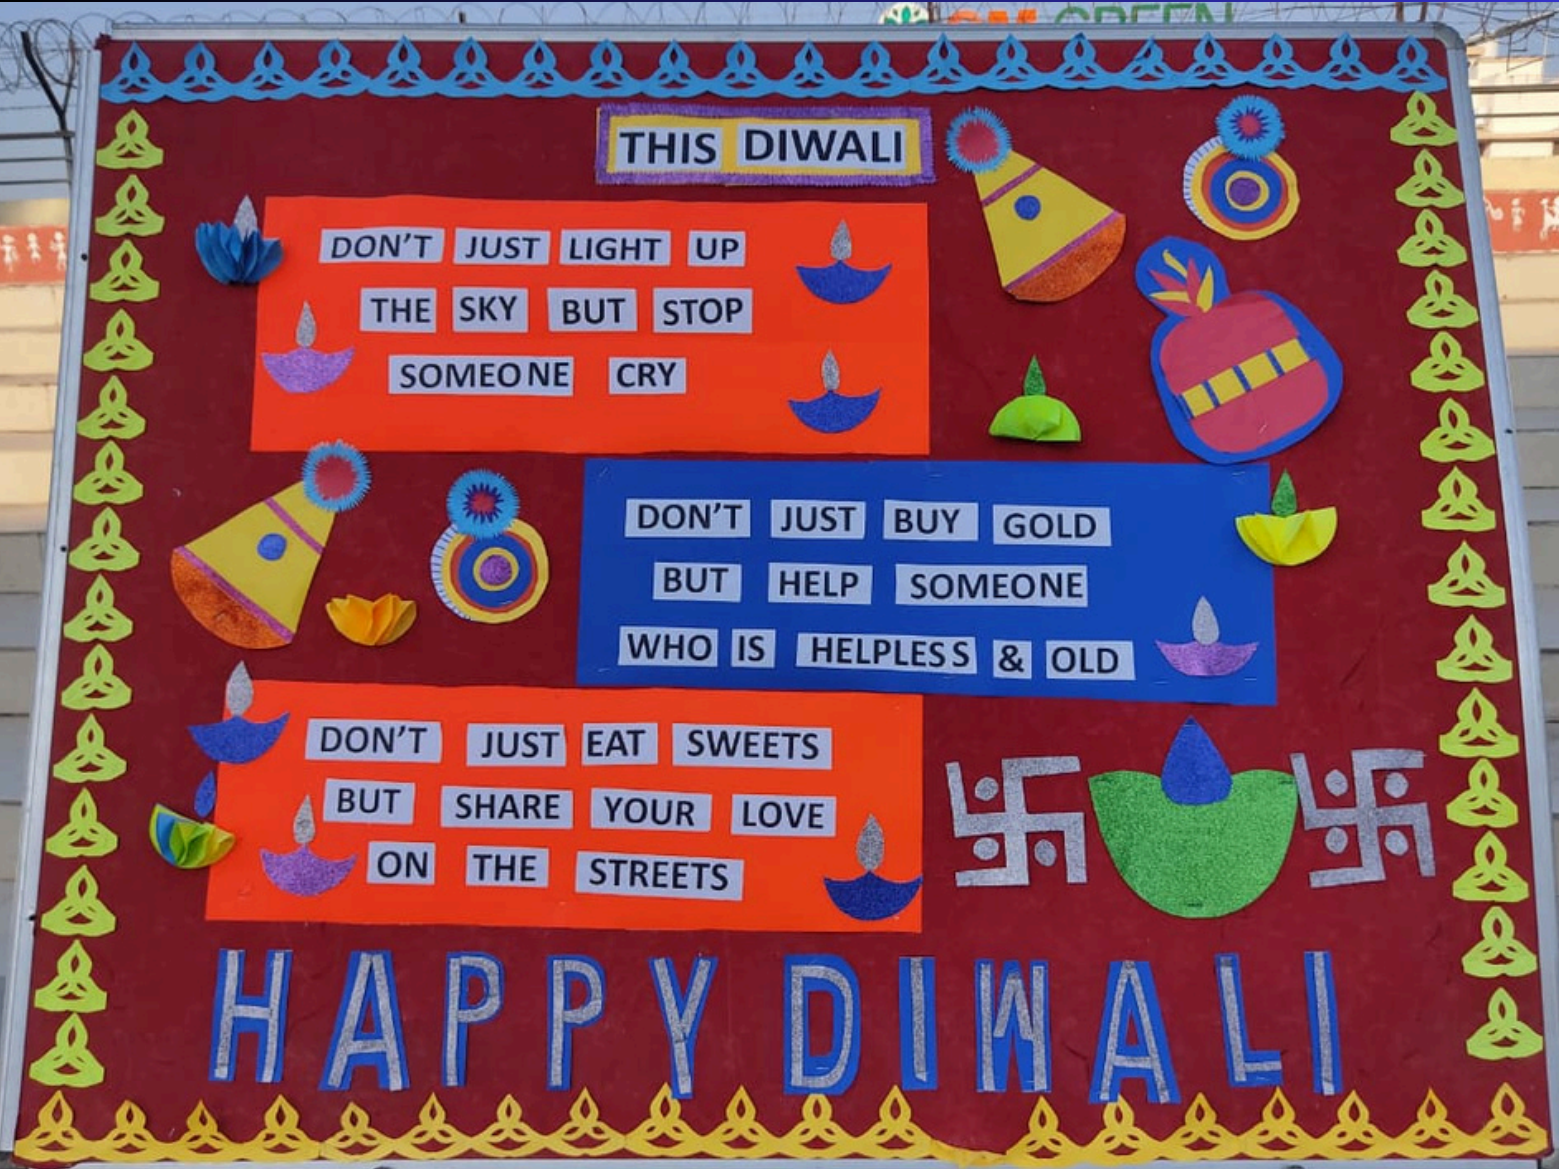

The light of the Self is within, not elsewhere.

The festival of lights, Diwali, was celebrated with great zeal and enthusiasm GDS-HALOL. The entire campus came alive with vibrant colours, twinkling diyas, and the joyous spirit of togetherness. The atmosphere was filled with festive fervour as students participated in a range of creative activities that beautifully reflected the essence of the festival.

From thali decoration and diya decoration to Diwali card making and rangoli designing, every corner of the school radiated artistry and imagination. The colourful rangolis adorned the pathways, while the sparkling diyas and decorated thalis showcased the students' creativity and devotion.

These activities not only brought out the hidden talents of the students but also helped them understand the cultural significance of Diwali, the victory of light over darkness and good over evil. The school was truly vibrant with colours and hues of enthusiasm, echoing the message of joy, unity, and positivity.

'Cleaning is not a chore; it's a way of life'

GDS-HALOL enthusiastically observed the Swachh Bharat Abhiyan, reaffirming its commitment towards building a cleaner and greener nation. The initiative aimed to instill in students a sense of responsibility and awareness about cleanliness, hygiene, and environmental sustainability.

As part of the campaign, students actively participated in campus cleaning activities, working together to clean classrooms, corridors and common areas. Their teamwork and dedication reflected the true spirit of community service and respect for their surroundings.

In addition to the cleaning drive, a poster-making competition was organized on the theme "Keep India Clean, Keep India Green." The students showcased their creativity and concern for the environment through thought provoking messages and vibrant illustrations. Their posters highlighted the collective effort required to keep our nation clean and green.

Such initiatives at GDSHalol reinforce the belief that young minds, when guided in the right direction, can become the true changemakers of society.

'Champions keep playing until they get it right'

GDS-HALOL was buzzing with energy and enthusiasm today, when as a part of the SEWA (Social Empowerment through Work and Action) project, the students of Grade 9 successfully organized and executed a Badminton Tournament within the school premises. The event aimed to promote the values of teamwork, discipline, leadership, and sportsmanship, while giving students an opportunity to serve and contribute to the school community.

The students took complete responsibility for planning and managing the event, from handling registrations to arranging the fixtures, umpiring, and maintaining score records. The tournament witnessed enthusiastic participation from students across Grades 6 to 8, making it a lively and engaging experience for all.

Through this project, students learned the importance of organization, collaboration, and time management. It also instilled in them a sense of responsibility and empathy, as they ensured fair play, inclusivity, and encouragement for all participants.

The Badminton Tournament (SEWA) Project truly reflected the spirit of 'Service before Self' and highlighted how sports can be a powerful medium for learning life skills and building community bonds.

PERFECT MATCH

'The first right of every human being, is the right of self-defense'.

GDS-HALOL recently organized an impressive Judo Demonstration showcasing the strength, discipline, and agility of our young martial artists. The event aimed to promote physical fitness, self-defense skills, and the spirit of sportsmanship among students.

Under the guidance of the school's sports instructors, the students demonstrated various Judo techniques such as throws, holds, and defensive moves with remarkable precision and confidence. Their performance reflected hours of dedicated practice, teamwork, and commitment to excellence.

The audience was captivated by the energy and coordination displayed by the participants. The demonstration not only highlighted the importance of physical education but also instilled in students the values of respect, focus, and perseverance, the true essence of martial arts.

Our Principal Mr. Kiran Mewada appreciated the efforts of the students and coaches, encouraging everyone to actively participate in such wonderful activities.
