FOR THE GLOBALITES

यत भावो , तत भवति

YOU BECOME WHAT YOU BELIEVE

A new year is not just a change of date, it is a fresh beginning. My dear students, believe in yourself and your abilities. Every child has unique potential. Trust your efforts, stay disciplined, be curious, and never be afraid to learn from mistakes. When you believe in yourself, half the journey towards success is already complete.

Respected parents, your encouragement and support play a vital role in shaping your child's confidence and character. Together, as school and parents, we can guide our children to become responsible, confident, and compassionate individuals.

Let us step into this new year with positive thoughts, strong determination, mutual respect, and faith in our dreams. May we all grow wiser, kinder, and stronger, academically and as human beings.

BEYOND THE CLASSROOM

#guestlecture

GDS-HALOL organized an insightful and highly informative guest lecture on the POCSO Act (Protection of Children from Sexual Offences) and the crucial topic of awareness and prevention of sexual abuse among teenagers. The session aimed at empowering students with accurate knowledge, building confidence, and ensuring they are aware of their rights and the support systems available to them.

The resource person Mr. S.S.Kaji from Halol High Court explained the purpose and provisions of the POCSO Act in a clear and age-appropriate manner, helping students understand that the law is designed to protect every child below 18 years from any form of abuse. They highlighted the different types of unsafe behavior's, the importance of recognizing early warning signs, and the difference between safe and unsafe touch.

Students were guided on how to tackle uncomfortable or unsafe situations that they may encounter on a daily basis.

LEARNING EVERYDAY

GDS-HALOL organized an educational field trip for the students of Grade 1 and 2 to D-Mart Mall, where learning came alive beyond the classroom. The purpose of the trip was to help young learners understand basic concepts of shopping, money value, product categories, and good public behavior in real-life settings.

As the children entered the mall, they were thrilled to see the neatly arranged sections, groceries, stationery, clothing, toys, and daily-use products. Teachers guided them through each aisle, explaining how items are grouped and how labels, prices, and offers are displayed. Students learnt to identify essential and non-essential items and observed how people choose products wisely. The visit also emphasized good manners, walking in lines, maintaining discipline, and respecting public spaces. Students interacted politely with staff members and thanked them, reinforcing values of gratitude and courtesy.

GDS-HALOL celebrated National Mathematics Day with great enthusiasm and active participation from students across various grades. The day was dedicated to highlighting the importance of Mathematics in everyday life and to fostering logical thinking, problem-solving skills, and creativity among students.

A variety of engaging games and hands-on activities were organized to make learning Mathematics enjoyable and meaningful. Students enthusiastically participated in activities such as Maths quizzes, number puzzles, mental math games, shape and pattern recognition, mathematical riddles, and fun problem-solving. Interactive games helped students understand mathematical concepts in a practical and stress-free manner.

The celebration successfully transformed the fear of Mathematics into curiosity and confidence. National Mathematics Day at GDS-HALOL proved to be an enriching experience that encouraged students to explore Mathematics with joy and understanding.

GLORIOUS GLOBALITES

#karatechampion

Everyone has the fire, but the champions know
when to ignite the spark'

GDS-HALOL is immensely proud to share that our
school Karate Instructor MR. SUSHIL
KARANDIKAR has brought outstanding glory by
winning GOLD MEDAL at the prestigious Judo
Championship held in Mumbai.

This exceptional accomplishment reflects not only
technical excellence but also relentless dedication,
countless hours of practice, and an unbreakable
will to succeed.

This victory is a moment of pride for the entire
school and serves as an inspiring reminder that
passion coupled with perseverance leads to
extraordinary achievements.

Heartiest congratulations for this outstanding yet
another triumph!

JANUARY 9 & 10

WOW!

SURPRISE!

**GUESS
WHAT!**

मनुष्य के मन में दो धाराएँ बहती हैं,
एक उजास की, एक अँधियारी राह।
सकारात्मक भाव दीपक बन जलते,
नकारात्मक भाव बनते मन का घाव।
आशा, प्रेम, करुणा, विश्वास की धूप,
जीवन को देती नई पहचान।
संघर्ष में भी मुस्कान सिखाती,
हर हार में छुपा होता है सम्मान।
क्रोध, ईर्ष्या, भय और घमंड,
मन के आकाश में बादल बन छाएँ।
दृष्टि धुँधली, पथ भी डगमगाए,
सही-गलत की रेखा मिट जाए।
पर चयन मनुष्य के हाथों में है,
किस भाव को दे वह अधिकार।
जब सकारात्मक को अपनाता है,
नकारात्मक भी बन जाता है सुधार।
इन्हीं द्वंद्वों में जीवन पलता है,
यही मानव होने का सार।
भावों का संतुलन ही सिखाता,
कैसे बने मनुष्य सच्चा और महान।
