FEBRUARY SYNOPSIS

2026

# FOR THE GLOBALITES

Life is a beautiful journey of learning, growth, and discovery. Every experience teaches us something valuable, and education is the guiding light that helps us walk this path with confidence and purpose. It shapes our character, sharpens our intellect, and nurtures values that stay with us for a lifetime. In today's rapidly evolving world, education is no longer confined to textbooks and classrooms alone. Technology has become an integral part of learning. When used wisely, it opens doors to innovation, creativity, and global opportunities. It empowers our children to think critically, solve real-world problems, and adapt to the changing demands of the future.

However, while we embrace digital tools, we must also remember that true education balances knowledge with wisdom, skills with values, and technology with humanity. Devices can provide information, but it is our teachers, parents, and experiences that shape character and instill empathy, discipline, and integrity.

Together, let us create an environment where education is meaningful, technology is purposeful, and every child is empowered to lead with knowledge, confidence, and compassion.

# THE SHINEY STARS

#beststudentofthemonth

# SOF GLITTERATI

# STARS OF SPELL BEE

We are delighted to share that our talented students have secured Gold, Silver, and Bronze Medals, along with certificates, in the SPELL B – English Language External Exam.

This achievement reflects hours of practice and guidance you all got from the school.

You all have set an example for your school mates and made your teachers and parents proud.

A special appreciation to our dedicated English educators for their extra effort, guidance, and commitment in preparing the students for this success. 🙌

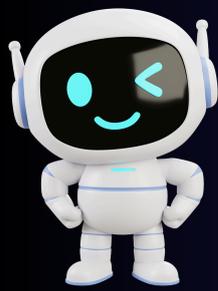

Congratulations to all our achievers! ✨

*Congratulations!*

# IT'S RAINING ROBOTS

#robofest 3.0

GDS-HALOL proudly celebrates the grand success of ROBOFEST 3.0, where our students and staff together created a new milestone of excellence, innovation, and teamwork.

This event was not just a showcase of robotics and technology, it was a reflection of vision, dedication, and practical learning. The extraordinary efforts put in by our students and teachers were clearly visible in every project presented. Months of planning, research, creativity, and technical hard work transformed ideas into live, working models.

What made ROBOFEST 3.0 truly remarkable was the innovation combined with practical implementation. The projects were not only creative but also realistic and applicable to real-life challenges. Students demonstrated solutions that can be practically implemented, reflecting true understanding beyond textbooks. The event witnessed overwhelming appreciation from parents, who applauded the dedication of our teachers and the confidence, knowledge, and presentation skills of our students. Their encouraging words and positive feedback motivate us to aim even higher in the future.

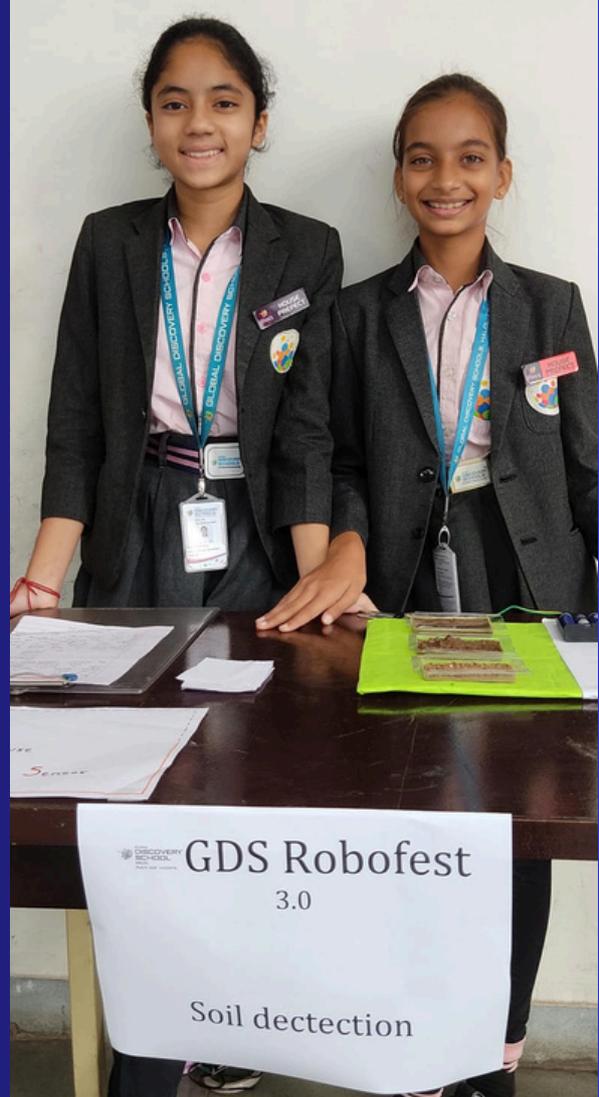

ROBOFEST 3.0 stands as a testimony to GDS-HALOL's commitment towards experiential learning, technological advancement, and nurturing future innovators.

# STATE CHAMPIONS

#karatechampionship

GDS-HALOL proudly celebrates a moment of immense honour and achievement as our talented karate champions secured the First Position at the State Level Karate Championship, bringing home the prestigious overall trophy along with numerous Gold Medals in various categories.

This remarkable accomplishment is a true reflection of the students' unwavering dedication, disciplined training, and indomitable spirit. Competing against some of the finest martial artists from across the state, our young warriors showcased exceptional technique, confidence, and sportsmanship.

We extend our heartfelt congratulations to our champions for this extraordinary victory.

THANK  
you
