## स्वातमानं बोध

**Awaken to your true nature**

As we arrive at the end of another enriching academic year, my heart is filled with immense pride and gratitude. This year has been a beautiful journey marked by joyful cheers, inspiring achievements, and remarkable growth of our students in every sphere of learning.

Our classrooms echoed with curiosity, our playgrounds reflected teamwork and determination, and our stages shone with creativity and confidence. Each student has taken meaningful steps towards becoming a better learner and a responsible individual.

Let us celebrate this wonderful year and look forward to many more moments of learning, growth, and excellence together.

# CHAMPIONS

#besthousetrophy

GDS-HALOL celebrates the remarkable achievement of our students of ANDROMEDA HOUSE with a loud applause and pride in clinching the Best House Trophy this year.

This outstanding accomplishment stands as a shining testament to the unwavering hard work, discipline, and consistency demonstrated by our students and the relentless dedication of our House Masters.

Equally commendable is the victory in the Best House in Sports Trophy bestowed on the ORION HOUSE.

Behind this glorious triumph stands the constant guidance and mentorship of our dedicated House Masters. Their encouragement, strategic planning, and belief in every child's potential have played a pivotal role in shaping this success story. They have not only trained students to win but also inspired them to grow as confident, responsible, and compassionate individuals.

**"The only limits you have are the limits you believe."**

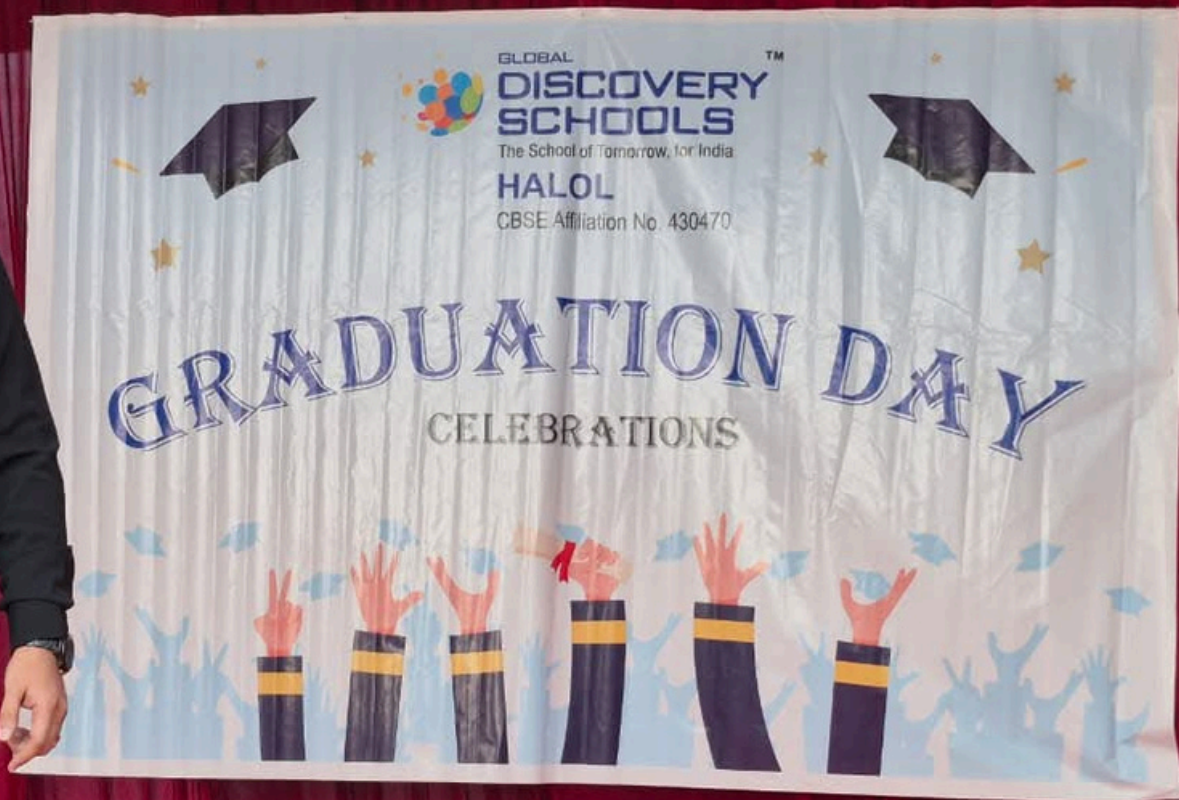

The air today at GDS-HALOL was filled with excitement and pride as the school hosted its annual Kindergarten Graduation Day for its UKG kids. Dressed in adorable, miniature graduation gowns and caps, the "tiny tots" appeared ready to take on the world, having successfully completed their first academic journey. The ceremony was a heartwarming celebration of learning, friendships, and the "little steps" that lead to "big dreams".

The ceremony began with a grand procession, where graduates walked down the aisle, sometimes holding hands, to the delight of clapping parents and teachers. The venue was decorated in a way that captured the innocence of childhood and the achievement of the milestone.

The highlight of the event was the Graduation Dance performance by the toddlers. Insights from parents were a delight to the ears.

Our Managing Director Mr. Kiran Mewada ensured a smooth transition for the students as well as parents.
