## शीलं परं भूषणं

### CHARACTER IS THE HIGHEST VIRTUE

As we bid farewell to yet another vibrant and enriching month, my heart is filled with immense joy and pride. The past few weeks have been a beautiful celebration of learning, leadership, sportsmanship, creativity, discipline, and values. From assemblies, competitions, elections, yoga sessions, reading initiatives, and sports events to karate examinations and countless classroom experiences, every activity has contributed to the holistic development of our students. At GDS-HALOL, we firmly believe that education extends far beyond textbooks. Each event provides our children with an opportunity to discover their strengths, build confidence, develop teamwork, nurture leadership, and cultivate resilience. These experiences prepare them not only to excel academically but also to become compassionate, responsible and respectful individuals.

"Yoga is the journey of the self, through the self, to the self."

GDS-HALOL enthusiastically celebrated International Yoga Day with great zeal and enthusiasm. The day commenced with a special morning assembly conducted by the students, who beautifully showcased various yogasanas, highlighting the importance of yoga in maintaining physical, mental, and emotional well-being. Their confident demonstrations inspired everyone to embrace yoga as a way of life.

The celebration was further enriched by an insightful and engaging yoga session conducted by Ms. Ishita Soni, an experienced yoga instructor. Through her expert guidance, students and staff learned the significance of incorporating yoga into their daily routines and experienced various techniques for relaxation, concentration, and overall wellness.
