EVERYTHING IS SUBJECT TO KARMA

Leadership is never about authority, it is about accountability.

At Global Discovery School, we believe that leadership is cultivated through opportunities where young minds learn the art of decision-making, teamwork, empathy, and resilience.

Every responsibility entrusted to the students is a stepping stone towards becoming responsible citizens and leaders of tomorrow.

आइए, हम सब मिलकर ऐसे भविष्य का निर्माण करें जहाँ हमारे विद्यार्थी केवल सपने ही न देखें, बल्कि अपने उत्कृष्ट चरित्र, दृढ़ संकल्प और सतत प्रयासों से उन सपनों को साकार भी करें। यही एक विद्यालय की विशेष उपलब्धि और सबसे बड़ा गर्व है।

FASHION SHOW

GDS-HALOL organised a fashion show for Grade 1 and 2 with great pomp and show. It was a grand success and a delightful experience for everyone present. The little ones participated with great zeal and enthusiasm, confidently walking the ramp and showcasing their charm and creativity. The children looked brilliant dressed up as their favourite cartoon characters, while some portrayed characters thoughtfully chosen by their teachers in line with their academic learning.

The event was filled with colour, excitement, and joy as the young participants captivated the audience with their adorable performances. It was heartwarming to see their confidence and happiness on stage. The fashion show not only provided a platform for self-expression but also made learning fun and memorable. It was truly a wonderful celebration of talent, imagination, and teamwork.

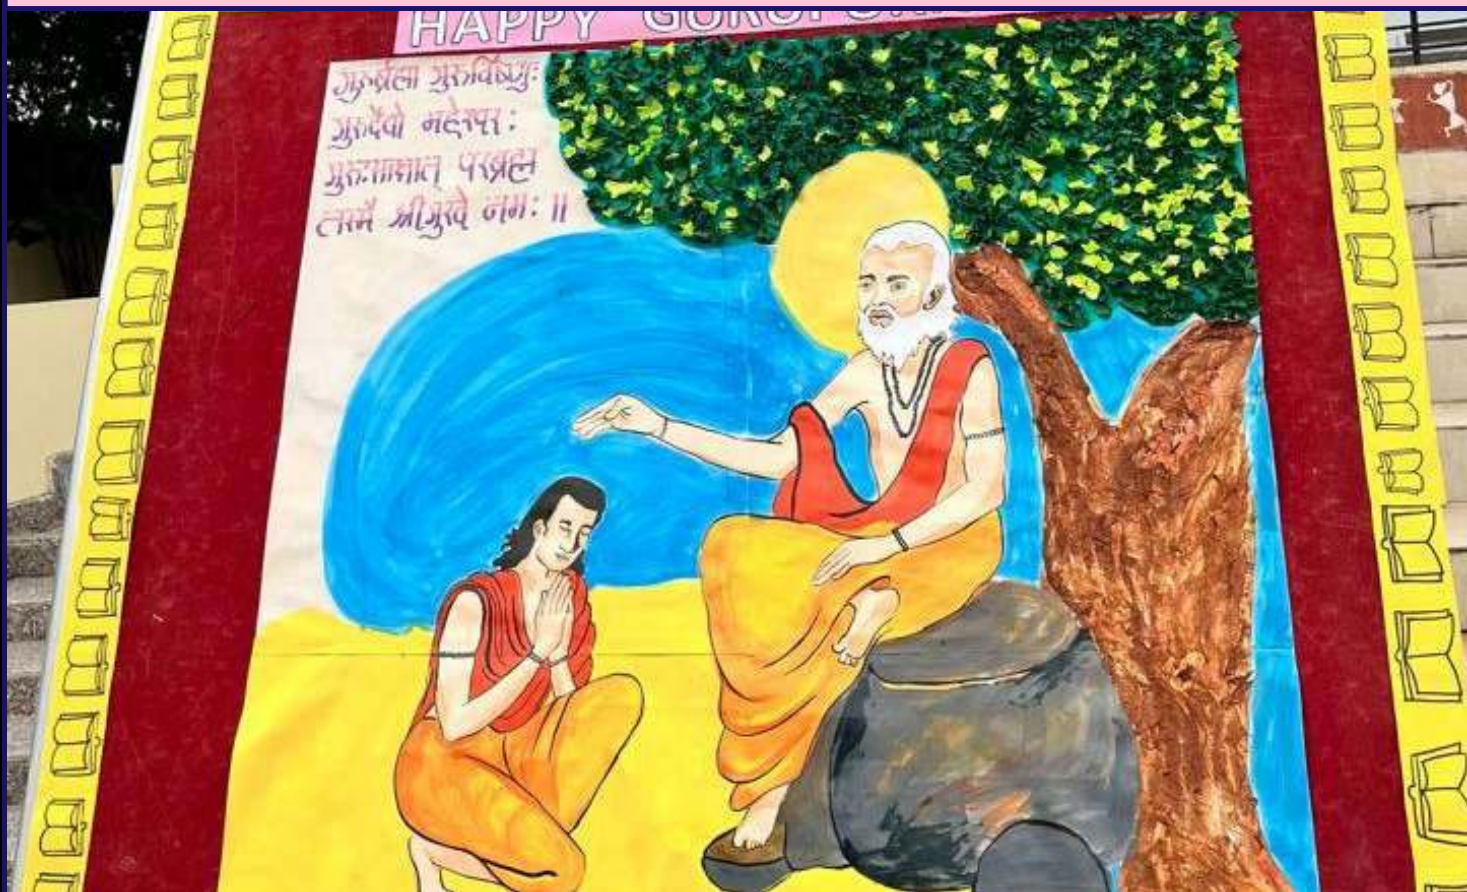

गुरुपूणिमा

GDS-HALOL, celebrated the sacred occasion of Guru Purnima with immense devotion, gratitude and cultural splendour, paying heartfelt homage to the invaluable role of gurus in shaping lives and illuminating the path of wisdom. The celebration begun with an enchanting morning assembly that filled the atmosphere positivity. A soulful dance performance beautifully portrayed the timeless significance of a guru and shishya relationship depicting how a teacher not only imparts knowledge but also nurtures values, character and purpose, becoming the guiding force in every learner's journey.

One of the most touching moments of the celebration was the Tilak Ceremony, where students respectfully applied tilak to their teachers as a mark of gratitude and appreciation. This heartfelt gesture reflected the deep bond of trust, respect and affection shared between the guru and the disciple, showcasing the rich cultural heritage of India. The gathering was further enriched by an inspiring address by our beloved Principal, Mr. Kiran Mewada who eloquently highlighted the eternal importance of a guru in transforming lives and shaping responsible, compassionate and enlightened individuals. The inspiring words left everyone feeling deeply motivated, proud and spiritually uplifted.

SEEDS OF HOPE

At GDS-HALOL, we believe that education extends beyond classrooms. In accordance to this the Grade 10 students of GDS-HALOL conducted a wonderful SEWA project, 'TREE PLANTATION DRIVE'.

Through initiatives like the SEWA Project, students learn that even small acts of service can create a lasting impact on society and the environment.

The initiative became a true celebration of unity as students from the lower grades enthusiastically contributed by bringing saplings of various plants. Together, the school community planted a wide variety of useful and eco-friendly plants across the school campus, creating a greener and healthier environment for all.

More than just planting trees, the activity sowed the seeds of responsibility and compassion in young minds. It encouraged students to understand the importance of preserving nature, maintaining ecological balance, and caring for their surroundings.
