**SEPTEMBER SYNOPSIS**

**2026-27**

## विद्याधनं सर्वधनात् प्रधानम्

### EDUCATION IS THE SUPREME WEALTH

At GDS-HALOL, Education is not confined to classrooms, textbooks and examinations. Here, every experience is an opportunity to learn, and our festivals provide a meaningful platform to connect knowledge with values, traditions with understanding, and culture with character.

Through the celebration of different festivals, we strive to help our children understand the richness of our heritage, respect diverse traditions, practise gratitude, compassion and kindness, and appreciate the values that have shaped our society.

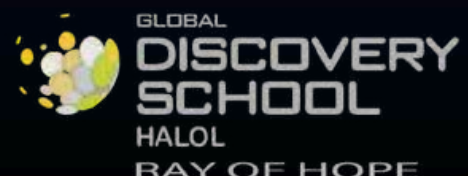

As educators, our responsibility extends beyond academic excellence. We aim to nurture sensible, sensitive and responsible individuals who are rooted in their culture while being open-minded and respectful towards the world around them.

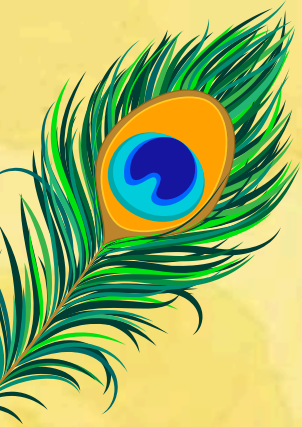

Let us work together to make every celebration a learning experience and every learning experience a step towards building a thoughtful, compassionate and value-driven generation.

GDS-HALOL celebrated Krishna Janmashtmi with a beautiful blend of devotion, tradition, and vibrant cultural expression. The festivities began with a wonderful assembly presentation, filled with reverence and devotion to Lord Krishna. The soulful narration and a fabulous dance performance beautifully depicted the various facets of Krishna's life, from his playful childhood and enchanting leelas to his divine wisdom and the eternal message of righteousness.

The celebration then came alive with the much awaited Dahi Handi Competition. Students from the four houses participated with immense enthusiasm and team spirit. Each house came together to form a strong human pyramid, working in perfect coordination and attempting to reach and break the Handi. Their determination, synchronisation, and collective effort made the event truly exhilarating.

The entire school resonated with the festive spirit, reminding everyone that Janmashtami is not merely a celebration of the birth of Lord Krishna, but an opportunity to embrace the timeless values of love, compassion, wisdom, and righteousness that he continues to inspire in us all.

## STUDENT OF THE MONTH

The spirit of gratitude and admiration filled the campus as GDS-HALOL celebrated Teachers' Day with great enthusiasm, warmth, and heartfelt appreciation for the mentors who illuminate the path of every learner.

The celebration began with a wonderful morning assembly, beautifully conceptualised around the theme of the school as the “Kingdom of Knowledge”, where teachers are the true custodians and givers of hidden treasures.

Through a captivating presentation, students portrayed the priceless treasures that teachers bestow upon them every day, wisdom, discipline, courage, kindness, confidence, perseverance and the strength to dream. The assembly was a beautiful reminder that the greatest treasures are not found in books or material possessions, but are nurtured through the guidance and values imparted by teachers.

The campus echoed with cheerful “Happy Teachers' Day” wishes as students expressed their love, respect and gratitude in their own special ways. Adding a delightful touch to the celebration, students stepped into the shoes of their teachers and took lectures in various classes, displaying confidence, creativity, patience and a wonderful understanding of the teaching-learning process. Their enthusiastic participation made the classrooms come alive with a unique perspective on the role of a teacher.

# ॥ गणेश चतुर्थी ॥

The school campus came alive with devotion, colours and rhythmic energy as GDS-HALOL celebrated the auspicious occasion of Ganesh Chaturthi with a fantastic special assembly. The celebration began on a soulful note with the students presenting a beautiful Ganesh Vandana, filling the atmosphere with divine grace and reverence for Lord Ganesha, the symbol of wisdom, prosperity and new beginnings.

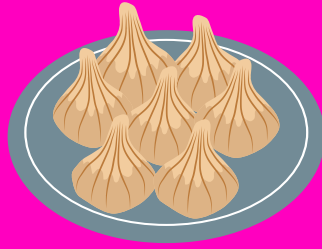

Adding a meaningful touch to the celebration, the teachers also created an eco-friendly Ganesha idol, beautifully reflecting the school's commitment towards celebrating our traditions while caring for Mother Nature. The activity provided an enriching opportunity for students to understand that our festivals can be celebrated with faith and fervour while remaining environmentally conscious.

The celebration became even more vibrant with a wonderful dance performance by our Pre-Primary and Primary students. Their cheerful expressions, colourful presentation and lively movements transformed the festive spirit into a delightful rhythmic spectacle. The young performers filled the surroundings with joy and enthusiasm, making the celebration truly colourful, energetic and memorable.

# FIELD TRIP

'Learning becomes truly joyful when children step beyond the classroom'

Keeping this spirit alive, GDS-HALOL organised a delightful field trip to Virasat Van for the students of Grade 1 and 2.

The little explorers spent a wonderful time amidst the beauty and tranquillity of nature. Surrounded by lush greenery and the refreshing sights and sounds of the natural environment, the students enjoyed a leisurely break from their routine while experiencing the joy of being outdoors.

The trip offered the children an opportunity to observe, explore, interact and simply unwind with their friends and teachers. Their cheerful faces, laughter and enthusiasm reflected the happiness of spending quality time in the lap of nature.

The visit was a beautiful blend of recreation, exploration and experiential learning, leaving the young learners with happy memories and a renewed appreciation for the beauty of nature.
