Subject: Term I Result PTM (Student-Led) on Saturday, 10 October 2026

Dear Parents,
Greetings from Gaurs International School!

The Term I Result PTM will be held on **Saturday, 10 October 2026**, and we warmly request your presence. If possible, we would love for both parents to attend, along with your child (Classes 3 onwards), as this Term's PTM is **student-led**.

Most parent-teacher meetings are conversations between adults about a child. This time, we want to change who is at the centre of the conversation. Marks tell us where a child stands today, but they do not tell the whole story. How did the term go? What made them proud? Where did they struggle, and what will they try to do differently? When children reflect on their own journey and speak about it, they stop being the subject of the discussion and become the owner of their learning. That is where real growth begins, and it is the kind of conversation we hope you will have with your child, at school and at home.

What the Day Holds for You

Student-Led Discussion on Results and Overall Performance: Your child will walk you through their progress, strengths and goals, with the class teacher guiding the conversation.

Book Fair: In an age of screens and AI, reading is a skill that quietly slips away, and no technology can replace the imagination a good book builds. Come and choose a favourite book together, as parent and child.

Sports PTM: Have your child's BMI checked, receive health and fitness tips from our sports teachers, and explore a range of sports and activities your child could try.

Free Health Check-up for Parents: Doctors from Yashoda Hospital will conduct a free health check-up for parents. We spend so much time looking after our children that we often forget ourselves, and this is a small step towards caring for you too.

PTM Schedule:

To avoid crowding, parents are requested to attend as per the slot allotted to their child's roll number.

Slot	Timing	Roll Numbers
