Action Plan:

- Conduct regular PTA meetings and review concerns/feedback arising from previous PTMs.
- Maintain transparent communication regarding school policies, academic practices, curriculum and student development initiatives.
- Provide parents a structured platform to share suggestions, concerns, ideas and experiences.
- Encourage greater parental involvement in students' academic, social and emotional development.
- Promote initiatives supporting students' wellbeing, safety and positive development at home, school and in the community.
- Encourage parent participation and support in school events, activities and community initiatives.
- Discuss suggestions received from parents beyond the elected/committee members.
- Facilitate constructive collaboration between parents and teachers for student-specific support and improvement.
- Review feedback and recommend suitable measures for school and learning-environment improvement.

Responsibilities:

- To prevent and address instances of sexual harassment at the workplace.
- To prepare and communicate the PTA meeting schedule, dates and timings in advance.
- To facilitate open, respectful and constructive parent-teacher communication.
- To discuss each student's progress, strengths, learning needs and areas for development in an encouraging and solution-focused manner.
- To communicate relevant academic goals, assessment practices and expectations clearly to parents.
- To listen to parents' concerns, expectations and suggestions with patience, empathy and objectivity.
- To maintain appropriate confidentiality and sensitivity while discussing student-related matters.
- To encourage parents to actively participate in their child's learning and overall development.
- To communicate important school rules, policies, programmes and developmental initiatives to parents.
- To consolidate stakeholder feedback and support the school in identifying areas for continuous improvement.
- To strengthen a culture of mutual respect, trust and shared responsibility between parents and the school.
