

**Holiday Homework**  
**Class VI**

**HINDI:**

कृतज्ञता पर आधारित चित्र कथा  
परियोजना प्रदर्शनी हेतु भाषा खेल

**ENGLISH:**

1. Interview a native regarding the integrated project of your class as per the directions.
2. Read the passage and answer the questions that follow.

**3. Worksheet:**

**I. INTERVIEW**

Instructions for Students

1. Choose one local/native person (elder, farmer, worker, artisan, caretaker, etc.).
2. Be polite and explain the purpose of your interview.
3. Write the answers neatly in your notebook or project file.
4. Mention the name, age, occupation, date, and place of the interview.
5. Add a short reflection (5–6 lines) on what you learned.

Interview Questions

1. What do you know about this topic from your experience?
2. How dependent are they on it earlier?
3. What changes have you seen over the years?
4. What benefits does it give to people or the environment?
5. What problems are faced today related to this topic?
6. How can students help in protecting or improving it?

**II. Reading Passage (Class 6)**

The Value of Small Kindnesses

In a quiet village surrounded by mango trees and narrow mud paths, lived a boy named Aarav. He was known not for his strength or wealth, but for his habit of observing things closely. Aarav noticed what others often ignored—the tired postman wiping sweat from his forehead, the

old woman struggling to carry water, and the stray dog searching for shade in the afternoon sun.

One summer afternoon, when the heat was unbearable and even the birds had fallen silent, Aarav saw his neighbour, Mr. Shyam, sitting outside his house looking worried. Aarav learned that Mr. Shyam's bicycle, his only means of travelling to work, had broken down. Without the bicycle, Mr. Shyam would lose his daily wages. Aarav did not have money to help, but he offered something else—his time and effort. He cleaned the bicycle, tightened the loose parts, and borrowed a tool from another neighbour. It took hours, and Aarav's hands were covered in grease, but by evening the bicycle was ready to ride again. Mr. Shyam was deeply grateful. Aarav realized that kindness does not always require great sacrifices; sometimes, small actions performed sincerely can bring the greatest relief.

That day, Aarav understood an important lesson: helping others may not change the whole world, but it surely changes the world for someone.

### Questions

#### A. Subjective / Short-Answer Questions (5)

1. What kind of boy was Aarav, and what made him different from others?
2. Why was Mr. Shyam worried that afternoon?
3. How did Aarav help Mr. Shyam even though he had no money?
4. What lesson did Aarav learn at the end of the passage?
5. Explain the meaning of the line: "Small actions performed sincerely can bring the greatest relief."

#### B. Fill in the Blanks (5)

1. Aarav lived in a quiet village surrounded by \_\_\_\_\_ trees.
2. Mr. Shyam depended on his \_\_\_\_\_ to go to work.
3. Aarav helped by giving his \_\_\_\_\_ and effort.
4. Aarav's hands were covered in \_\_\_\_\_ after repairing the bicycle.
5. Kindness does not always require great \_\_\_\_\_.

C. Objective / Multiple-Choice Questions (5)

1. What was Aarav best known for?

- a) His wealth
- b) His strength
- c) His habit of observing closely
- d) His loud voice

2. Why was the afternoon described as very quiet?

- a) It was raining
- b) The birds were silent due to heat
- c) Everyone was asleep
- d) There was a festival

3. What would Mr. Shyam lose if the bicycle was not repaired?

- a) His house
- b) His neighbours
- c) His daily wages
- d) His tools

4. From where did Aarav borrow a tool?

- a) The market
- b) His school
- c) Another neighbour
- d) Mr. Shyam

5. What is the central message of the passage?

- a) Money is the best help
- b) Children should not work
- c) Small acts of kindness matter
- d) Villages are peaceful places

**MATHS:**

- Prepare a maths game board based on your project subtopic.

**SCIENCE:** Make a poster on art sheet on the topic: “Protect Yourself from Extreme Heat”

Include:

Do's and Don'ts

Hydration tips

Clothing advice

**SST:**

- Name any two festivals celebrated by people of all religions.
- Write one real-life example where you see unity in your school or neighbourhood.

**COMPUTER SCIENCE:**

Make a Thank you e-cards using Paint or simple design tools

**ART:**

Create posters with powerful slogans on one of these important topics.

Choose

any one topic of your choice and make a colourful poster.

Note - Use art file paper or A3 /A4 sheet for this work.

Topics are

- Zero Garbage
- Water Saving
- Electric Saving
- No Wastage
- No Littering
- Save Trees
- Reduce Plastic Use
- Recycling
- Climate Change Awareness

- Wildlife Conservation

Let your creativity shine and inspire others.
