परियोजना संबंधी खेल

**ENGLISH: 1.** Write a diary entry describing your experience of the annual sports day, your feelings, and the highlights of the day.

## Comprehension Worksheet – Class VII

### The Silent Guardian

At the edge of a small town stood an old lighthouse that had guided ships for decades. Though modern technology had reduced its importance, the lighthouse continued to shine every night. Its keeper, Mr. Thomas, believed that even a single beam of light could prevent a terrible accident.

One stormy evening, strong winds and heavy rain battered the coast. Visibility was poor, and waves crashed violently against the rocks. While most people stayed indoors, Mr. Thomas climbed the narrow stairs of the lighthouse to ensure the light was working. His effort was rewarded when a ship, lost in the storm, followed the light and reached the shore safely.

The next morning, the townspeople praised Mr. Thomas for his dedication. The lighthouse, once considered unnecessary, was now seen as a silent guardian that protected lives.

### Questions

1. Where was the lighthouse located?

---

---

2. Why was the lighthouse considered less important in modern times?

---

---

3. Describe the stormy evening mentioned in the passage.

---

---

4. Why did Mr. Thomas climb the lighthouse despite the danger?

---

---

5. How did the lighthouse help the ship?

---

---

6. What change took place in the townspeople's attitude towards the lighthouse?

---

---

## Vocabulary

7. Find a word from the passage which means 'not easily seen'.

---

8. Find a word from the passage which means 'strong commitment to a task or duty'.

---

**MATHS:**

- Prepare a maths game board based on your project subtopic.

**SCIENCE:** Create a comic strip showing: Journey of air from nose to lungs on an Art sheet.

**SST:**

1. Choose any one historical period (Mughals, Mauryas, Medieval India).  
Write 5 diary entries as:  
A soldier  
A farmer  
A trader  
A court artist  
A child
2. Prepare your project presentation for the upcoming Integrated Project Exhibition.

**COMPUTER SCIENCE:** Write a message for mentor/teacher on how they helped you (use Ms-word for the same). Email writing to mentor/teacher on how they helped.

**ART:** Create posters with powerful slogans on one of these important topics. Choose any one topic of your choice and make a colourful poster.  
Note - Use art file paper or A3 /A4 sheet for this work.

Topics are

- Zero Garbage
- Water Saving
- Electric Saving
- No Wastage

- No Littering
- Save Trees
- Reduce Plastic Use
- Recycling
- Climate Change Awareness
- Wildlife Conservation

Let your creativity shine and inspire others.
