GLANCE

Grade: II

*'Celebrations are not just about lights and colours,
but about hearts coming closer.'*

Dear Parent,

Greetings!

We are delighted to step into the festive month of October, a season that fills our hearts with joy, togetherness and the spirit of celebration. To help our children cherish the beauty of this time, the theme for the month is “Carnival of Festivals.” Through it, our young learners will discover that festivals are not just about fun, but also about spreading happiness, sharing light and respecting traditions.

The value of the month – “Celebrations” will encourage children to realize that festivals bring people together, strengthen bonds of love and friendship and fill our lives with positivity. They are the essence of our culture, teaching us to embrace diversity with joy and reminding us that true happiness multiplies when shared.

This October, we will celebrate Diwali and Halloween Day with enthusiasm and creativity. Children will also gain an

understanding of the significance of Goverdhan Pooja, Bhai Dooj and Chhath Pooja. Each occasion will provide opportunities to nurture values of love, gratitude and unity while creating lasting memories.

In addition to these festivities, our initiative “Together We Can” for Grades I & II will further strengthen the partnership between parents and teachers. We look forward to a month glowing with light and creativity, where children grow in confidence while learning the values of unity, joy and respect for all cultures.

POSITIVE PARENTING

*'Festivals and meetings are not just events,
they are bridges that connect hearts, homes and schools.'*

October is a time not only to enjoy festivities but also to help children understand the deeper values they carry—respect, gratitude and the importance of traditions. By celebrating meaningfully, we guide them to appreciate culture while growing into thoughtful and responsible individuals. Here are some simple ways you can support your child this month:

Here are some simple ways you can support your child this month:

- 1. Celebrate Together:** Encourage your child to join in festivals with friends as shared experiences build bonds and lasting memories.
- 2. Highlight the Meaning:** Discuss the significance of each festival so your child learns to value diverse traditions.
- 3. Stay Connected:** Attend 'Together We Can' sessions regularly to stay updated on your child's progress and growth.
- 4. Share Observations:** Communicate your child's interests and strengths at home to help teachers guide them more effectively.
- 5. Promote Confidence:** Talk about feedback positively and encourage your child to improve with self-belief.

The Bottom Line:

Festivals remind children of the richness of culture and traditions, while meetings create opportunities for parents and teachers to work together. Both play a vital role in shaping young minds with guidance, care and understanding.
