Parental Circular for Grade: VI - VII

Friday, October 10th

Dear Parent,
Greetings!

*"The Ramayan Is More Than An Epic;
It Is A Mirror Of Values That Shape Humanity."*

The Ramayan, one of India's greatest epics, is a timeless treasure that embodies lessons of truth, duty, sacrifice and righteousness. Its stories and characters continue to inspire generations, offering moral guidance and cultural wisdom that remain relevant even today.

As part of our Transforming Tuesdays initiative, Mata Bhatee Devi School is delighted to announce a Mythology Mastery **Quiz Competition** on the **Ramayan** for Grades VI & VII scheduled on **October 14th, 2025**. The quiz will encourage students to revisit the epic, test their knowledge and engage in a healthy spirit of competition.

Through this event, we aim to help students not only gain factual knowledge but also internalize the deeper values of devotion, respect, integrity and responsibility reflected in the Ramayan. Such learning nurtures character, strengthens cultural roots and guides students to make wise choices in their own lives.

Guidelines for Parents:

- ✚ Encourage your child to read and revise important chapters, characters and events from the Ramayan.
- ✚ Motivate them to prepare through books, reliable online resources, or family discussions on the epic.
- ✚ Ensure your child's presence and active participation on the day of the event.

Kind Attention: - Winners will receive Certificates of Excellence and highlights from the event will be featured on the school's official Facebook and Instagram pages.
