Dear Parent,  
**Greetings!**

*'Words Have Power — They Shape Thoughts, Build Confidence  
And Open Doors To Endless Possibilities.'*

Language is more than a medium of communication — it is the essence of expression, creativity, and learning. A strong vocabulary empowers students to comprehend deeply and express their ideas with clarity and confidence.

As part of our Transforming Tuesdays initiative, the school is delighted to organize **“Spell Bound – Augmenting Vocabulary”**, a vocabulary enhancement competition for Grades VI & VII, scheduled for **November 11<sup>th</sup>, 2025** i.e. **Tuesday**. This event aims to ignite curiosity for new words, strengthen language skills and nurture a lasting love for the English language through fun-filled, interactive rounds.

#### **Guidelines for Parents:**

- ✚ Encourage your child to revise commonly used vocabulary, synonyms, antonyms and spellings.
- ✚ Motivate them to read newspapers, storybooks and articles to explore new words.
- ✚ Ensure your child's presence and active participation on the day of the event.

**Kind Attention:** - Winners will receive Certificates of Excellence and event highlights will be featured on the school's official Facebook and Instagram pages:
