Parental Circular for Grade: VIII - IX

Friday, November 7th

Dear Parent,
Greetings!

"Vocabulary Is The Key That Unlocks The Power Of Expression."

To nurture linguistic expression and creative thinking among our learners, we are pleased to announce the **'Word Weaving Challenge'** under our Transforming Tuesdays initiative for Grades VIII and IX on **November 11th, 2025** i.e. **Tuesday**.

This engaging activity aims to strengthen students' vocabulary as they explore, present, and express new words with their meanings and creative usage.

We seek your kind support to:

- ✚ Encourage your ward to participate actively in the challenge to boost confidence and creativity.
- ✚ Motivate them to enhance their vocabulary through regular reading and word exploration.

Kind Attention: - Glimpses of the challenge will be featured on the school's official social media pages along with awarding Certificates of Excellence to the winners.
