Dear Parent,  
**Greetings!**

*'Comfort Is The Foundation Of Confidence —  
When We Feel Good, We Perform Even Better.'*

As we gear up for our much-awaited '3<sup>rd</sup> Spir it 2025 - The Annual Sports Day,' our students are participating in practice sessions with great enthusiasm and dedication. However, it has been observed that the regular house uniforms tend to get spoiled during practice and may cause discomfort while performing various outdoor activities.

To ensure our students remain comfortable, active and confident throughout the practice period, the school has introduced the following guidelines:

**1. Dress Code:** Students may wear Black T-Shirts and Black Lowers on practice days. They should also carry Sports Shoes to change into during practice sessions. Kindly ensure that all items are properly labeled to avoid misplacement.

**2. Sun Protection:** Parents are advised to apply sunscreen on their ward each morning to safeguard them from sun exposure during outdoor activities.

Your cooperation in adhering to these simple yet important guidelines will help us create a safe, comfortable, and energetic environment for our young athletes as they prepare for '3<sup>rd</sup> Spir it 2025 - The Annual Sports Day'.

Warm Regards,

**PRINCIPAL**
