'Clouds may cover the sky, but they can't stop new days from shining.'

Dear Parent,
Greetings!

As the year draws to a close, December arrives with a gentle charm—bringing cool breezes, festive cheer, and wonderful opportunities for children to grow. This month, under the theme “Weather Wonders,” and value 'Resilience,' students will explore the beauty of changing seasons. December helps us blend learning with celebration, allowing children to enjoy meaningful experiences while continuing their academic journey. With the magic of winter, the excitement of Christmas, and the promise of a new year, becomes a moment to pause and appreciate.

In the coming weeks, students will discover the wonders of weather through engaging activities—like carol singing, seasonal melodies, and revising key concepts from earlier in the term. This month will also feature our much-awaited **3rd Annual Sports Day - Spirit 2025**, a celebration of teamwork, discipline, sportsmanship, and the resilience needed to keep trying and improving with confidence. Additionally, a Health Camp will be conducted to provide general health checkups and reinforce the importance of wellness and regular care.

December also marks Ongoing Evaluation-II, an important checkpoint to assess each child's academic progress. Following the tests, our Together We Can will offer parents and teachers the chance to reflect on achievements and plan supportive steps that nurture resilience and steady learning.

We will end the month on a joyful note with a vibrant New Year Party—filled with dance, music, gratitude activities, and the creation of inspiring resolution cards that motivate children to stay strong and positive in the year ahead.

TALES & TUNES

Story: A Santa

Once upon a time, in a snowy town, lived Santa Claus. He loved making children happy. Every year, Santa packed his big red bag with toys, books, and yummy treats.

One cold night, Santa looked at the sky and said,

“Ho! Ho! Ho! It’s time to visit the children!”

He climbed into his shiny red sleigh, and his reindeer—Rudolph, Dasher, and Dancer—pulled it up into the sky.

Rudolph’s bright red nose glowed like a little star, helping them see the way.

Santa reached a small house where a little girl named Mia was sleeping. She had kept a cookie and a glass of milk for Santa. Santa smiled and whispered,

“Thank you, Mia!”

He kept a small gift under her Christmas tree and flew away to visit more children.

By morning, every child woke up with a big surprise and a happy smile.

Santa had done it again

And Santa said,

“Ho! Ho! Ho! Merry Christmas!”
