Parental Circular for Grade: Nursery-KG

Monday, February 2nd

Dear Parent,
Greetings!

**'Little Hands, Little Smiles—Spring Brings Joy
In The Sweetest Styles.'**

With the arrival of spring, our youngest learners of Nursery and KG are ready to welcome this cheerful and colorful season through a joyful celebration at school. To help our little ones experience the beauty of spring, we have planned a day filled with music, laughter and playful learning.

As part of Fun Friday, the **Spring Floral Festival** will be celebrated on **February 6th** i.e. **Friday**, within the school premises. A joyful and child-friendly Musical Flower Game, along with other fun interactive activities, will be conducted to make the day bright, engaging and memorable. This celebration will encourage group participation, joyful expression and an appreciation of nature's vibrant colors in a playful manner.

Guidelines for Parents:

- ✿ Kindly send your ward dressed in comfortable floral or flower-themed clothes on the mentioned date.
- ✿ Please ensure your child wears comfortable footwear and carry their water bottle.
- ✿ Photographs and videos of the celebration will be shared on the school's Facebook and Instagram pages.

Kind Attention: - Winners will be awarded Certificates of Excellence as a token of recognition and encouragement.
