SEPTEMBER

— at a —
GLANCE

GRADE : I

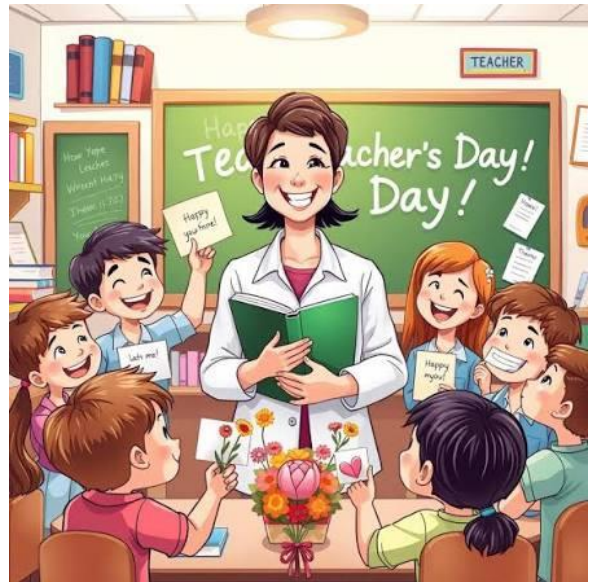

'Life's richness lies in the tapestry of joyous moments.'

**Dear Parent,
Greetings!**

We are excited to share our September Monthly Planner with the theme: “Heroes Around Us” and the core value of “Kindness Counts.”

This month, our focus is on discovering the everyday heroes around us—the people who care for us, help us, protect us and make a positive difference in our lives. Heroes are not only people with superpowers; they can be our parents, teachers, doctors, nurses, firefighters, police officers, farmers, school helpers, sanitation workers and even our friends. This theme reminds us to recognise, appreciate and respect the contributions of these wonderful people.

Our core value, “Kindness Counts,” encourages children to understand that even small acts of kindness can make a big difference. Through helping others, sharing, using kind words, showing gratitude, caring for living beings and being there for someone in need.

Our activities this month will be filled with excitement, fun, meaningful experiences and positive affirmations. Students will be celebrating Janmashtami and also have the opportunity to celebrate the invaluable contribution by teachers as 'Teachers Day Celebration '

As we approach the mid-term examination period, please refer to the detailed examination schedule provided in your ward's portal. Should you have any questions or concerns, do not hesitate to reach out.

We are also looking forward to welcoming you to the special “Together We Can” event, where you can meet the class teacher and receive updates on your child's progress.

Thank you for your continued support and for being an integral part of our community. Let's make this September a month full of kindness, appreciation, motivation, focus and growth.

- Ch-4 My Neighbourhood (semester-1)

GENERAL KNOWLEDGE:

- Ch-22 Our Helpers (semester-2)
- Ch-23 Quiz Time (semester-2)

COMPUTER:

- Ch-4 Learning about Keyboard and mouse

POSITIVE PARENTING

*"The harder you work for something,
the greater you will feel when you achieve it"*

Helping children prepare for evaluation can be a rewarding task for parents. Here are some guidelines to support and motivate your child during exam times:

Create a Study Plan: Help your child develop a realistic study schedule well in advance of the exam date.

Provide a Quiet Study Environment: Ensure a distraction-free, comfortable study space with necessary supplies.

Encourage a Balanced Routine: Emphasize the importance of a balanced daily routine that includes time for study, play, and rest.

Provide Nutritional Support: Ensure your child eats a healthy, balanced diet that includes brain-boosting foods.

Encourage Regular Breaks and Physical Activity: Promote short, regular breaks during study sessions to maintain focus and reduce stress.

By following these guidelines, parents can create a supportive environment while maintaining their overall well-being.

Warm Regards,

Principal

Mata Bhatee Devi School
