Dear Parents,

As a part of our continuous efforts to provide a comfortable and conducive learning environment for our students, the school has installed air conditioning facility in the Primary Wing w.e.f. 14th September, 2026.

We as an institution and you as parents have to work in tandem to provide the best facilities to our children, the future of our country. To cover the operational, maintenance, and utility expenses for this upgraded facility, a nominal monthly charge of Rs. 500/- (Rs. 17/- per day) will be added to the monthly fee bill under the head of A/C charges.

We request your continued cooperation and support in enhancing the school's infrastructure for betterment of our students.
