NEPS/ PAR.CIR/2026-27/40 **13.11.2026**

Dear Parents,

The class teachers of all the sections of class XII have in the past 5 months worked with each of the students in their classes in the area of their career choices after class XII. This work is based on the student's abilities, capacities and areas of interest for their future. In each child's case, the top three options have been focussed on.

A considerable amount of research and discussion has gone into exploring various courses, career pathways, fee structure, eligibility criteria, future prospects and related opportunities for each of these preferences.

Based on this detailed exercise, the school has prepared an individual Career Guidance Sheet for each student. This career option sheet is being shared with you for your reference.

We hope that this research-based information will help students and parents understand the available pathways better and take a well-informed decision for each child's future.

Regards

New Era Public School-All India Senior Secondary
