

HOLIDAY HOMEWORK
CLASS UKG
2026 - 27

Summer vacation is a great opportunity for children to relax, explore, and learn in a fun way. To keep them engaged and to help channelize their energies positively, we have planned a range of enjoyable activities.

We kindly request you to support and guide your child in completing these tasks, while also encouraging them to express their creativity. Establishing a regular routine will help them stay consistent and make the most of this time.

Suggested time: 10:00 AM – 11:00 AM

Sun is hot, up so high,
Bright and shiny in the sky.
We wear hats and drink cool juice,
Eat sweet mango, fresh and loose.
Splash in water, laugh and play,
Have some fun every day.
Summer time is warm and bright,
Sleep with stars at night!
Ice cream cold, drip, drip, drip,
Take a happy little lick.
Fans go whirr to keep us cool,
Holiday time—no more school!
Summer days are full of cheer,
Best and sunny time of year!

Good Manners

Good manners and positive habits are lifelong assets that should be practiced regularly until they become a natural part of one's behavior. Encourage your child to use these "magic words" in their everyday conversations.
