भारत मेरे दिल में

सुबह की पहली किरण में
भारत की मुस्कान है
हिमालय की ऊँची चोटियों में
मेरा हिंदुस्तान है।
कहीं रंग-बिरंगे त्योहार हैं,
कहीं मीठी-मीठी बोली,
कहीं ढोल की थाप सुनाई दे,
कहीं बजती है बांसुरी भोली।
अलग-अलग है हम सब,
अलग-अलग हमारे पहनावे,
फिर भी मिलकर रहते हैं,
जैसे फूल सब गुलदस्ते में समाए।
मिट्टी को नमन करूँ मैं,
मन में गर्व जगाती है,
भारत माँ का नाम सुनते ही,
चेहरा मेरा खिलता है।
मैं छोटी हूँ पूरे सपना बड़ा –
भारत को आगे बढ़ाना है,
प्यार बाँटे और सबका
अपने देश को सुनाना है।
दुनिया में कहीं भी जाऊँ,
रूह बात रहेगी याद
सुंदर केवल तेरा नहीं,
मेरे दिल की है आवाज़।

Mobile Addiction

Exp. PG. #
Date

- Mobile addiction is a serious problem today, especially among students and youth. People spend hours scrolling social media, playing games and watching videos. They check their phones even during study, work and family time.

- This habit affects both health and studies. Too much screen time causes eye strain, headache, poor sleep and less physical activity. It also reduces focus, memory, and real-life communication skills.

- To overcome mobile addiction, we should set time limits, use apps only for useful purpose and spend time on hobbies, sports and reading.

- A balanced use of mobile phones can help us stay connected without harming our health and future.

India is my country. I am proud to be an Indian. Our flag has three colors and Ashok Chakra in the middle. India is known for unity in diversity. We have many languages, foods and festivals but we live together. I love my India and I will always respect it.

Poem

India in My Heart,
My tricolor flies so high,
Saffron, white and green in the sky,
From mountains to the sea,
I love my India, proud to be!
Jai Hind! Jai Bharat!

India In My Heart

- India is my beautiful country, and I feel proud to be an Indian. Our country is special because people of different religions, languages and cultures live together with love and respect.
- I love seeing our tricolour flag flying high. The saffron colour reminds me to be brave, white teaches me peace, and green reminds me of nature and growth. The Ashoka chakra tells us to keep moving forward.
- I can show my love for Indian by keeping my surroundings clean, respecting everyone, saving water, planting trees and following the rules.

A Letter to my Younger Brother

Dear Little Brother,

Happy Raksha Bandhan!

You are younger than me, but you bring the biggest joy to my life. I still remember how you came running to me with a small stick and how we laugh together while playing.

Sometimes you steal my things and make a lot of noise, but your cute little "Sorry, Didi" makes everything okay. When you share your toffee with me, I feel so loved.

On this Rakhi Bandhan, I promise that I will always take care of you. Now you are not just my brother, you are my best friend.

Stay happy and naughty always.

Your Loving Sister,

Sharing their laughter their love and care.

But become ish again before the night.

He is her strength she is his cheer,
Together they grow year after year.
Through happy moments and day that are tough,
Their special bond is always enough.

More than a thread (Rakhi), more than a day (Rakshabandhan),
Its love that never fades away.

Best Brother

My absolute favourite memory was of all last summer vacations and we stayed up all night playing and laughing, drinking tons of chai, eating maggi and watching movies. Then we fell asleep on the couch and woke up at 4 in the morning to find each other's faces covered in permanent marker. Yeah, we were definitely grounded from screens for the next day. But it was worth it. I'd do it all over again in a heartbeat.
