FROM THE COORDINATORS

Welcome to the second edition of our monthly magazine! It is incredible to see how quickly our school community has settled into a vibrant rhythm of learning and growth.

Over the past month, our classrooms and corridors have been buzzing with curiosity, creative projects, and inspiring collaborative efforts. Our students are truly pushing boundaries and discovering their unique strengths. Thank you for your continued support as we foster an environment where every learner can thrive!

**Harshit Bhasin
Middle School Coordinator**

The second month of our academic session has unfolded with renewed curiosity, steady growth, and enriching learning experiences. I am truly encouraged by the enthusiasm of our students, the unwavering dedication of our teachers, and the continuous support of our parents. Together, we are nurturing a strong and vibrant learning community. Let us continue to aim high, dream big, and work diligently as we move forward on this journey of learning and excellence.

**Richa Kumar
Primary School Coordinator**

As the Activity Coordinator, it is inspiring to see our students participate with such enthusiasm and dedication in the various initiatives organized this month. Every activity has been a step towards nurturing creativity, confidence, teamwork, and overall personality development beyond academics. I extend my heartfelt appreciation to the students and teachers whose commitment and cooperation have made each experience engaging, memorable, and truly meaningful.

CELEBRATING DEDICATION: LABOUR DAY CELEBRATION

02 MAY 2026

Labour Day was celebrated with great respect and gratitude at Ratan International Day Boarding School to acknowledge the hard work and dedication of the Sahayak Staff who contribute tirelessly to the smooth functioning of the school. The celebration was a heartfelt initiative that encouraged students to understand the value of every individual's efforts and develop a sense of appreciation and respect towards them. Students expressed their gratitude through beautifully made cards, thoughtful speeches, energetic dance performances, and an impactful skit highlighting the importance of labour and dignity of work. The atmosphere was filled with warmth, appreciation, and joy as students came together to honor the support staff for their continuous efforts and commitment. The celebration served as a meaningful reminder that every role deserves respect and recognition.

A DAY OF JOY: MONTHLY BIRTHDAY CELEBRATION

15 MAY 2026

The school celebrated the birthdays of students born in the month of May with great joy and enthusiasm at Ratan International Day Boarding School. The celebration was a delightful occasion filled with smiles, laughter, and a sense of togetherness, making every birthday child feel truly special and valued.

The event included a cheerful cake-cutting ceremony, heartfelt wishes, and a warm celebration with teachers and peers. Students enjoyed the moment as their special day was recognized in a memorable way. Such celebrations not only spread happiness but also strengthen bonds among students, creating a positive and inclusive school environment where every child feels appreciated and celebrated.

INVESTITURE CEREMONY: HONOURING THE LEADERS OF TOMORROW

16 MAY 2026

The Investiture Ceremony was conducted with great pride and enthusiasm, marking the appointment of the newly elected student council members. The event aimed to nurture leadership qualities, responsibility, discipline, and confidence among students, encouraging them to lead by example and serve the school with dedication and integrity.

The ceremony commenced with a graceful Saraswati Vandana, followed by vibrant dance and music performances that added energy and excitement to the occasion. Students also presented an inspiring play highlighting the importance of teamwork, leadership, and determination. The disciplined March Past and the prestigious Oath Ceremony were among the major highlights of the event, where the newly appointed leaders pledged to fulfill their duties sincerely.

The gathering was further motivated by the inspiring speeches delivered by the Sports Captain, Anika, and the School Captain, Sanvi, who encouraged students to work hard, stay confident, and become responsible leaders of tomorrow. The ceremony concluded on a positive and memorable note, celebrating the spirit of leadership and unity among students.

VOICES OF INNOVATION: DEBATE COMPETITION

111 MAY 2026

An insightful and engaging Debate Competition was organized at Ratan International Day Boarding School on the topic “Merits and Demerits of Technology.” Students participated with great enthusiasm and confidence, presenting well-thought-out arguments on both the advantages and disadvantages of technology in today’s world. While some participants highlighted how technology has transformed communication, education, healthcare, and daily life, others spoke about concerns such as overdependence on gadgets, reduced social interaction, and the misuse of digital platforms.

The competition provided students with an excellent platform to enhance their public speaking, critical thinking, and communication skills. Participants expressed their views with clarity, confidence, and strong reasoning, making the session highly interactive and thought-provoking. The activity encouraged students to analyze modern-day issues from different perspectives and helped them understand the balanced role technology plays in shaping society.

Inter House Poster Making Competition | 2 May 2026

The Inter-House Poster Making Competition was a vibrant and inspiring event that showcased the artistic talents and creativity of our students. Participants from all houses enthusiastically took part, creating beautiful and meaningful posters on a variety of thought-provoking topics. Each poster reflected originality, imagination, and a strong ability to express ideas through colors and design.

The competition provided a wonderful platform for students to explore their creativity and present their perspectives in a visual form. The enthusiasm and dedication of the participants were clearly visible in their work, making the event both engaging and enjoyable. It encouraged students to think creatively, spread awareness, and communicate powerful messages through art.

HEALTHY HABITS, HEALTHY FUTURE: SWASTHYA CLUB ACTIVITY

02 MAY 2026

The Swasthya Club Activity at Ratan International Day Boarding School was conducted with the aim of spreading awareness about healthy living and encouraging students to adopt good lifestyle habits from an early age. Through various engaging and interactive activities, students learned about the importance of a balanced diet, proper nutrition, regular exercise, and personal hygiene in maintaining a healthy body and mind. Students actively participated in activities related to healthy food choices and understood the nutrients required for a balanced daily diet. They also learned the importance of physical exercise and how staying active contributes to overall well-being. Special emphasis was given to hygiene practices, especially proper handwashing habits, helping students understand how cleanliness prevents diseases and promotes good health. The activity proved to be both educational and enjoyable, allowing students to learn important life lessons in a fun and practical way. It reflected the school's continuous effort towards the holistic development of students by nurturing awareness, discipline, and healthy habits for a better future.

PRITHVI CLUB ACTIVITY

09 MAY 2026

This month, the students of Ratan International Day Boarding School actively participated in meaningful activities conducted under the Prithvi Club, aimed at spreading awareness about environmental conservation and responsibility towards nature. Through interactive discussions and activities, students understood that the present condition of the Earth is largely a result of human actions such as pollution, deforestation, and the careless use of natural resources.

The activity encouraged students to reflect on the mistakes humans have made that continue to harm the environment and disturb the balance of nature. They learned about the serious consequences of deforestation, including climate change, loss of wildlife, and environmental imbalance. Students also understood the importance of planting and protecting trees and realized that even small efforts can contribute towards creating a greener and healthier planet.

The session inspired students to become more responsible and environmentally conscious individuals. It reinforced the values of caring for nature, protecting the Earth, and taking positive steps towards a sustainable future.

BEYOND ACADEMICS: CO-CURRICULAR ACTIVITIES

At Ratan International Day Boarding School, co-curricular activities such as Art, Music, and Dance play an important role in the overall development of students. Conducted on a regular basis, these activities provide students with opportunities to explore their creativity, express themselves confidently, and develop their unique talents beyond academics. Through art activities, students enhance their imagination and creative thinking skills. Music helps in improving concentration, emotional expression, and positivity, while dance promotes flexibility, body coordination, confidence, and physical fitness. These sessions also help students relax, uplift their mood, and develop teamwork and discipline. By participating in such enriching activities every day and throughout the week, students learn to maintain a healthy balance between learning and enjoyment, contributing to their holistic growth and personality development.

**SHARING THOUGHTS,
ASSEMBLIES &
INSPIRATIONAL LEARNING**

MORNING ASSEMBLY: A POSITIVE START TO THE DAY

The daily morning assembly at Ratan International Day Boarding School plays a vital role in creating a positive and disciplined environment for students. Each day begins with an energetic warm-up session that refreshes the mind and body, helping students start their day with enthusiasm and focus. The assembly is thoughtfully planned to encourage learning, confidence, and moral values among students.

The Thought of the Day inspires students with meaningful messages that motivate them to develop a positive attitude and strong character. The Word of the Day introduces students to new vocabulary, helping them improve their language skills and communication abilities. Students are also informed about the Importance of the Day, which enhances their awareness of important events, values, and occasions around the world.

Adding further value to the assembly, coordinators and the Principal Ma'am regularly address the students with thoughtful speeches that guide, motivate, and encourage them towards discipline, self-growth, and excellence. The morning assembly serves as a platform for learning beyond textbooks and helps in nurturing confident, aware, and responsible individuals.

REGULAR SPORTS CLASSES

Regular sports classes continued throughout the month with great enthusiasm and active participation from students. These sessions provided students with an opportunity to engage in various physical activities and sports that promoted fitness, discipline, teamwork, and endurance. From warm-up exercises to team games and skill-based activities, students actively participated with energy and excitement.

Sports classes play a significant role in enhancing physical strength, body coordination, flexibility, and concentration while also helping students develop confidence, leadership qualities, and a spirit of sportsmanship. Beyond physical fitness, these activities refresh young minds, reduce stress, and encourage students to maintain a healthy and balanced lifestyle. Through regular sports engagement, students learn the importance of dedication, perseverance, and working together as a team, contributing greatly to their overall growth and development.

MIND GAMES & MORE: OUR FUN HOUR STORY

Every Saturday, our school comes alive with excitement during the much-awaited Fun Hour. It is a special time dedicated to relaxation, creativity, and joyful learning beyond the classroom.

Students enthusiastically participate in a variety of indoor games such as chess, puzzles, and ludo. These activities are not just entertaining but also help in improving concentration, strategic thinking, and teamwork skills. From solving tricky puzzles to planning smart moves in chess, every student gets a chance to challenge their mind while having fun.

Apart from these, many other engaging games are also available, ensuring that every child finds something they enjoy. The atmosphere is filled with laughter, friendly competition, and a spirit of togetherness.

Fun Hour is truly a refreshing break from routine studies, helping students recharge and return to their academic work with renewed energy and enthusiasm. It plays an important role in the overall development of students by balancing learning with enjoyment.

EXPLORING THE FUTURE: AI & DRONE LEARNING SESSION

07 MAY 2026

An exciting and interactive AI Session was conducted for students, introducing them to the fascinating world of artificial intelligence and drone technology. The session provided students with valuable insights into how drones work, their real-life applications, and the growing role of AI in modern technology and innovation.

One of the most engaging parts of the session was the hands-on drone flying experience, where students enthusiastically explored the basics of controlling and operating a drone under guidance. This practical learning experience enhanced their curiosity, problem-solving skills, and understanding of emerging technologies. The session not only made learning fun and interactive but also inspired students to explore the future possibilities of science, technology, and innovation.

भाषा के रूपों को समझने की रोचक गतिविधि

05 MAY 2026

विद्यार्थियों के लिए एक आकर्षक एवं सहभागितापूर्ण गतिविधि का आयोजन किया गया, जिसके माध्यम से उन्हें भाषा के दो प्रमुख रूपों—मौखिक भाषा एवं लिखित भाषा—के बारे में समझाया गया। गतिविधि के दौरान प्रत्येक बच्चे को एक हैंडआउट दिया गया, जिसमें विभिन्न चित्र जैसे व्यक्ति का बातचीत करना, पुस्तक पढ़ना, पत्र लिखना आदि दर्शाए गए थे।

बच्चों ने चित्रों को ध्यानपूर्वक देखकर यह पहचानने का प्रयास किया कि वे मौखिक भाषा को दर्शाते हैं या लिखित भाषा को। विद्यार्थियों ने पूरे उत्साह के साथ भाग लिया और अपने विचार आत्मविश्वासपूर्वक साझा किए। इस गतिविधि ने बच्चों की अवलोकन क्षमता, तार्किक सोच तथा अभिव्यक्ति कौशल को विकसित करने में महत्वपूर्ण भूमिका निभाई। साथ ही, वे भाषा के दोनों रूपों के अंतर को सरल, रोचक एवं प्रभावी तरीके से समझ पाए।
