Online Exchange Program 2026-27

Dear Parent,

Greetings!

We are proud to announce that after a successful completion of two years of Online Exchange Program, we are extending our Sister School Partnership with Pakenham Secondary College, Victoria, Australia for the students of Grades VII and VIII. Pakenham Secondary College was established in 1967, to provide education to a largely rural community.

It will be a valuable and enriching experience for our students. This program aims to broaden our students' perspectives, enhance their understanding of global cultures, and foster meaningful connections with peers worldwide.

The program will require our students to meet their partners from Pakenham Secondary College online regularly and work on the assigned projects. The students are expected not to miss any sessions and actively collaborate to complete their learning tasks.

In case your ward is interested to participate in this program, please give your consent on the link below by 10th April 2026:-

Please note that the first online session for the Exchange Program will be held on 22nd April 2026.

In case of any queries, please write to Ms. Neelu Singh (neelu.s@ridgevalleyschool.org).

Warm Regards,

Ms Nidhi Tewari
Principal
