

The DLF School, Ridge Valley

19th May 2026

Dear Parents,

It gives me great pleasure to announce the appointment of Ms Neelu Singh as the Principal of Ridge Valley School.

Ms Singh has been an integral part of the Ridge Valley family for over twelve years and is one of our founding members. During this time, she has served the school with quiet dedication, integrity, and unwavering commitment. Her rich experience across the foundational, middle, and senior years, coupled with her strong academic background and deep understanding of our ethos, makes her exceptionally well suited to lead the school at this important juncture.

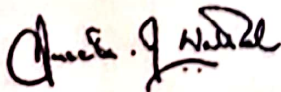

A postgraduate in Chemistry, Ms Singh is a passionate educator who believes in preparing children not only for academic success but also for life. She has mentored students in prestigious programmes such as the Young Innovators Programme at IIT Kharagpur and has accompanied students to international forums, including the United Nations Convention in Geneva, where they presented on climate action. Her work in sustainability has also been recognised through multiple Global Sustainability Awards.

Equally important, Ms Singh shares a long and meaningful relationship with our students, staff, and parent community. She values collaboration, open communication, and the nurturing of each child's unique potential.

I am confident that under her thoughtful and steady leadership, Ridge Valley School will continue to strengthen its commitment to academic excellence, character building, and holistic education.

Please join me in extending a warm welcome to Ms Neelu Singh as she assumes this new role.

Warm regards,

Dr Ameeta Mulla Wattal

Chairperson & Executive Director (Education, Innovation and Training) DLF Foundation Schools and Scholarship Programmes
