KAUSHAL BODH AND MERGED CLUBS & CPD PROGRAMME
(GRADES VI–VIII)

Dear Parents,

Greetings!

In alignment with the vision of the National Education Policy (NEP) 2020 and the CBSE Kaushal Bodh initiative, we are pleased to inform you that Kaushal Bodh has been introduced for students of Grades VI–VIII. The programme aims to foster creativity, critical thinking, collaboration, communication, leadership, and other essential life skills through experiential and activity-based learning. The programme will be conducted every Thursday for two periods.

To further enrich students' learning experiences, the Club and Carpe Diem (CPD) programmes have now been merged into a single integrated programme. The Merged Clubs & CPD sessions will be conducted every Monday and will commence from Monday, 13th July 2026.

To ensure that students are enrolled in activities that best match their interests, parents are requested to complete the Microsoft Form by indicating their ward's first and second preference for the Merged Clubs & CPD activity.

While every effort will be made to allot students their preferred activity, the final allocation will be based on availability of seats and the optimum student-teacher ratio.

- Microsoft Form Link: [Club & CPD Choice – Fill in form](#)

- Last Date for Submission: 8th July 2026

Please Note:

- Submission of the Microsoft Form is compulsory for all students of Grades VI–VIII.
- Students are required to indicate both their first and second preference for the activity.
- Once the activity allocation has been finalised, no requests for change of activity will be entertained during Term I.

We look forward to another enriching year of experiential learning, creativity, collaboration, and holistic development through these programmes.

Warm Regards,

Ms Neelu Singh
Principal
The DLF School Ridge Valley
