IBT Assessment and Reporting Program**Dear Parents (Grades III – VIII),****Greetings!**

We are pleased to inform you that all students from **Grades III – VIII** will be participating in the **IBT (International Benchmark Test) Assessment and Reporting Program**, developed by the **Australian Council for Educational Research (ACER)**.

ACER has designed this global program of school-level tests in **English, Mathematics and Science**, which is suitable for students across many countries. These high-quality assessments provide valuable insights into the educational development of students and support teachers, parents, and school leaders in monitoring progress.

Unlike traditional tests, the IBT requires students to **think critically, apply subject knowledge, and engage with concepts** rather than relying solely on memorization. It represents the forefront of modern educational measurement.

For the **Academic Year 2026-27**, students will appear for **three assessments: English, Science, and Mathematics**. **These will be conducted online at school.**

- Kindly send Rs. **660/-** in a sealed envelope with your child by Thursday, **July 29th 2026**.
- Please ensure that your child's **Name, Class, and Section** are clearly written on the envelope.
- For students enrolled in the **Wellness Department**, payment is only required for the subjects they are pursuing in school. Kindly submit a cheque for **Rs. 220/- per subject** to the respective Class Teacher.

Kindly make a note of the dates of the assessments as mentioned below:
