SAVE THE DATE

Dear Parents,

We are delighted to announce the date for The DLF School Ridge Valley's Annual Day & Prize Giving Ceremony, an occasion that celebrates our students' boundless spirit, dedication, and extraordinary talents. This year, the celebration is centered around the inspiring theme: 'एक पुकार – **A Voice of Change**'

Throughout history, every great transformation has begun with a single thought, a single question, and a single voice that dared to challenge indifference and inspire hope. This year's celebration reflects on that enduring human journey—exploring the ideals of equality, education, dignity, peace, empathy, and the courage to stand against injustice.

Through a tapestry of music, dance, poetry and theatre, our students bring to life the struggles, aspirations and triumphs that define human experience.

Please find below the event details:

- **Date:** Saturday, 17th October 2026
- **Time:** 6:00 PM onwards

As our students from Grade I onwards bring the stage to life, we warmly invite our Early Years (Nursery, LKG, & UKG) parents to join us in the audience and cheer on our talented school community!

A formal invitation card with further details will follow soon. We look forward to celebrating with you!

Warm regards

Neelu Singh
