KAUSHAL BODH AND MERGED CLUBS & CPD PROGRAMME
(GRADES VI–VIII) – TERM II

Dear Parents,

Greetings!

We are glad to announce the commencement of Term II Carpe Diem from Tuesday, 27th October 2026. Please note that Kaushal Bodh and Merged Clubs & CPD programme for Grades VI–VIII will continue providing students with opportunities to develop creativity, collaboration, communication, leadership, and essential life skills through experiential learning.

The Merged Clubs & CPD sessions will continue to be conducted every Monday, while Kaushal Bodh sessions will be conducted every Thursday for two periods.

To ensure that students are enrolled in activities that best match their interests, parents are requested to complete the Microsoft Form by indicating their ward's first and second preference for the Merged Clubs & CPD activity.

While every effort will be made to allot students their preferred activity, the final allocation will be based on availability of seats and the optimum student-teacher ratio.

- Microsoft Form Link: [Club & CPD Choice \(Term-II\) – Fill out form](#)
- Last Date for Submission: **Friday, 9th October 2026.**

Please Note:

- Submission of the Microsoft Form is compulsory for all students of Grades VI–VIII.
- Students are required to indicate both their first and second preference for the activity. The first 20 students will be allotted their first preference. Thereafter, the second preference of the remaining students will be considered for allocation.
- Once the activity allocation has been finalized, no requests for change of activity will be entertained during Term II.

We look forward to another enriching session of experiential learning, creativity, collaboration, and holistic development through these programmes.

Warm Regards,

Ms Neelu Singh

Principal

The DLF School Ridge Valley
