

**SHAMBHU DAYAL GLOBAL SCHOOL**  
**SUMMER HOLIDAY HOMEWORK 2026**  
**CLASS: III**

**General Instructions for Holiday Homework**

- Complete all holiday homework neatly and on time.
- Use scrap file 2 for all subjects. (UOI, English, Hindi and Maths)
- Write your name and section clearly on the cover page.
- Maintain neat handwriting and proper presentation.
- Use colours, headings, and relevant pictures to make your work attractive.
- Do all activities independently with minimum help from parents.
- Keep your work clean and well-organized.
- Read all instructions carefully before starting the work.
- Revise your work after completing it.
- Ensure that all activities, and projects are properly attached in the scrap file.
- Label each subject and activity clearly with proper headings.
- Submit the holiday homework on the third day after vacation. Late submissions may affect marks.
- Incomplete homework will not be accepted for assessment.
- Happy Learning and Enjoy Your Holidays!

SUBJECT	RESEARCH BASED TOPIC
UOI	<p><b>THEME- HOW WE ORGANISE OURSELVES (MM. 50)</b> <b>TOPIC- "Say NO to Child Labour"- "Every Child Deserves a Happy Childhood"</b></p> <p><b>Topic: Child Labour</b></p> <p><b>Description</b></p> <p>Child labour means making children work at a young age instead of allowing them to study, play, and enjoy their childhood. Some children work in shops, factories, hotels, or on roads because their families are poor. Every child has the right to education, safety, food, and happiness. We should help children get education and care instead of work.</p> <p><b>Read the Situation Carefully</b></p> <p>Raju is a 9-year-old boy. Every morning, instead of going to school, he works in a tea stall near the market. He washes cups, serves tea, and cleans tables. He feels tired but still works to help his family earn money. One day, Raju sees children of his age going to school with bags and books. He wishes he could also study and play like them.</p> <p><b><u>Students must find that and write answers in 40-60 words in their scrap file.</u></b></p> <ul style="list-style-type: none"><li>• Why children like Raju are forced to work.</li><li>• What problems child labour creates for children.</li><li>• How education can change a child's life.</li><li>• What people and the government can do to stop child labour.</li></ul> <p><b>1. Awareness Poster Activity</b></p> <p>Make a colourful poster with messages like:</p> <ul style="list-style-type: none"><li>• "Say No to Child Labour"</li><li>• "Let Children Go to School"</li><li>• "Books Not Work"</li></ul>

Paste the poster on the society notice board and click 2-3 pictures of your while pasting poster and then paste a clicked picture in your scrap file.

Recommended AI apps for homework:

1. ChatGPT – research, explanations, project ideas
2. Google Gemini – topic research and presentations
3. Perplexity AI – fact-based answers with sources
4. Canva AI – posters, presentations, infographics
5. Grammarly – improving written work

Note- Students are requested to record short audio/video clips while completing their holiday homework. The recordings should show their learning process, participation, explanation of work, and creativity. These clips can be shared along with the final submission.

**Judgement Criteria**

**(10 Marks Each)**

Criteria	Marks
Neatness and Presentation	10
Understanding of the Topic	10
Correct Answers to Research Questions	10
Creativity in Poster / Drawing	10
Timely Submission of Project	10

**INTEGRATED**

**ENGLISH**

**A. Research-Based Paragraph**

After your research, write a short paragraph in 50-60 words on: **“How Child Labour Affects Children”** in your scrap file.

Mention:

- Health problems
- Lack of education
- Loss of childhood

**B. Picture Description**

Draw and colour a picture related to child labour and write 5 sentences describing it in your scrap file.

Recommended AI apps for English holiday homework:

1. ChatGPT – ideas, essays, summaries, grammar help
2. Grammarly – grammar and spelling correction
3. QuillBot – paraphrasing and summarising
4. Google Gemini – research and content ideas
5. Perplexity AI – fact-based research with sources
6. Duolingo – vocabulary and spoken English practice

Note- Students are requested to record short audio/video clips while completing their holiday homework. The recordings should show their learning process, participation, explanation of work, and creativity. These clips can be shared along with the final submission.

### Assessment Rubrics

Criteria	Marks	Description
Understanding of case study	10	Correct understanding of the topic
Analytical thinking	10	Clear and thoughtful ideas
Writing skill	10	Good grammar and sentence formation
Vocabulary and language use	10	Correct use of words
Presentation	10	Neat and creative work

**Total: 50 Marks**

**HINDI**

**Description:** नमस्ते नन्हे सितारों! आपकी गर्मी की छुट्टियों का यह प्रोजेक्ट एक बहुत ही नेक काम के लिए है। समाज में बदलाव लाने के लिए हम सब मिलकर "बाल श्रम का विरोध" (Say NO to Child Labour) करेंगे। (अंक 50)

इसे अपनी स्कैपबुक (Scrapbook) में बहुत ही सुंदरता और सफाई से पूरा करें।

○ **विषय:** "बाल श्रम मिटाओ, बचपन बचाओ"

● **1. जागरूकता पोस्टर (Awareness Poster)**

एक सुंदर और रंगीन पोस्टर तैयार करें। उस पर हिंदी में इनमें से कोई एक नारा (Slogan) लिखें:

- "बाल श्रम को ना कहें, शिक्षा को हाँ!"
- "बच्चों के हाथों में औज़ार नहीं, किताबें दें।"
- "काम नहीं, कलम दो!"

● **गतिविधि:** इस पोस्टर को अपनी सोसाइटी या घर के पास के नोटिस बोर्ड पर लगाएं। लगाते समय अपनी 2-3 तस्वीरें खिंचवाएं और उन्हें स्कैपबुक में चिपकाएं।

● **2. सहायकों से सम्मानपूर्वक बातचीत (Talk to Helpers)**

हमारे आस-पास काम करने वाले दीदी, भैया, गार्ड और ड्राइवरों से सम्मान के साथ बात करें:

- उन्हें उनके काम के लिए 'धन्यवाद' कहें।
- विनम्रता से पूछें कि क्या उनके बच्चे स्कूल जाते हैं?
- इस बातचीत से आपने जो सीखा, उसके बारे में अपनी स्कैपबुक में 3-4 पंक्तियाँ लिखें।

**लिखने के लिए उदाहरण:** "आज मैंने अपने गार्ड अंकल से बात की। मुझे जानकर खुशी हुई कि उनकी बेटी स्कूल जाती है और डॉक्टर बनना चाहती है। हमें सभी का सम्मान करना चाहिए।"

● **3. शिक्षा का दान (Donate Learning Items)**

ज़रूरतमंद बच्चों की मदद के लिए खुशियाँ बाँटें:

- अपनी पुरानी (अच्छी स्थिति में) किताबें, पेंसिल, रंग या नोटबुक इकट्ठा करें।
- इन्हें अपने पास के किसी ज़रूरतमंद बच्चे या गरीब बस्ती में दान करें।
- इस नेक काम की एक तस्वीर चिपकाएं या अपनी भावनाओं को एक चित्र के माध्यम से स्कैपबुक में दर्शाएं।

📌 आपके लिए मुख्य संदेश:

हर बच्चे का अधिकार है— खेलना, पढ़ना और मुस्कुराना! आइए हम सब मिलकर यह सुनिश्चित करें कि किसी भी बच्चे का बचपन काम की वजह से न छीने।

आपकी छुट्टियाँ सुखद और मंगलमय हों!

शीट / रुब्रिक्स मापदंड

मूल्यांकन	अंक	विवरण (Description)
केस स्टडी की समझ	10	तथ्यों, कारणों और प्रभावों की सही पहचान
विश्लेषणात्मक सोच	10	तार्किक (logical) और विचारशील प्रतिक्रियाएं
लेखन कौशल	10	व्याकरण (grammar), स्पष्टता (clarity), और वाक्य संरचना
शब्दावली और भाषा का उपयोग	10	शब्दों का उचित और सटीक उपयोग
प्रस्तुतीकरण	10	साफ-सफाई (neatness), संगठन, और रचनात्मकता

कुल अंक: 50 Mar

All the work to be done in scrap file-2

**Description:**

(MM. 50)

**Task 1 - Healthy Leisure Time Timetable**

Prepare a **Healthy Leisure Time Timetable** for your holidays. Make a timetable showing how you spend your day in a healthy and balanced way.

Your timetable must include the following activities:

- Play Time
- Screen Time
- Exercise
- Reading Time
- Family Time
- Sleep

After preparing the timetable, answer the following questions:

1. Calculate the **total study hours** in a day.
2. Calculate the **total play hours** in a day.
3. Calculate the **total sleeping hours** in a day.
4. Which activity gets the **maximum time**?

**Instructions**

- Draw the timetable neatly in Scrap file
- Mention time for each activity clearly.
- Use colours and proper headings to make it attractive.
- Write the calculations neatly.
- Add a short conclusion on the importance of a healthy timetable.

**Task 2 - Pocket Money Budget**

Imagine you have ₹2000 for fun holiday activities. Prepare a budget plan showing "how you will spend your money" in scrap file (table form).

Answer the following questions:

1. Find the **total money spent**.
2. Find the **money left** from ₹2000.

3. Which is the most expensive activity?
4. Which is the cheapest activity?

**Recommended AI apps for Maths homework:**

1. Photomath – free step-by-step solutions
2. Microsoft Math Solver – completely free math help
3. ChatGPT – free basic version for explanations

**Holiday Homework Assessment Rubric**

Criteria	Description	Marks
<b>Task 1: Healthy Leisure Time Timetable</b>		<b>25 Marks</b>
Timetable Presentation	Neatness, creativity, headings, use of colours and proper format	5
Inclusion of Activities	All required activities included correctly (Play Time, Reading Time, Screen Time, Family Time, Exercise, Sleep)	5
Time Management & Balance	Healthy and realistic distribution of time	5
Math Integration	Correct calculation of study hours, play hours, sleeping hours, and maximum time activity	5
Conclusion Writing	Short conclusion on importance of healthy timetable	5
<b>Task 2: Pocket Money Budget</b>		<b>25 Marks</b>
Budget Table Presentation	Proper table format, neatness, headings and creativity	5
Budget Planning	Logical and realistic spending plan within ₹2000	5
Mathematical Calculations	Correct calculation of total spent and money left	5
Identification Questions	Correctly identifying most expensive and cheapest activity	5
Overall Understanding & Effort	Originality, clarity and sincere effort shown in work	5

(MM. 50)

SANSKRIT

संस्कृत अवकाश गृहकार्य:  
क्रियाकलाप 1: पशुओं के नाम (पशूनां नामानि)  
कार्य:

5 पशुओं के नाम संस्कृत में लिखिए।  
प्रत्येक पशु के लिए:

- उसका चित्र बनाइए या चिपकाइए
- संस्कृत नाम और हिंदी नाम लिखिए

**उदाहरण:**

- सिंह: — शेर
- गज: — हाथी
- अश्व: — घोड़ा
- श्वान: — कुत्ता
- मर्कट: — बंदर

क्रियाकलाप 2: फलों के नाम (फलानां नामानि)

5 फलों के नाम संस्कृत में लिखिए।

प्रत्येक फल के लिए:

- उसका चित्र बनाइए या चिपकाइए
- संस्कृत नाम और हिंदी नाम लिखिए

उदाहरण:

- आम्रफलम् — आम
- सेवफलम् — सेब
- कदलीफलम् — केला
- द्राक्षाफलम् — अंगूर
- नारङ्गफलम् — संतरा

प्रत्येक गतिविधि करते समय अपनी तस्वीर या फोटो लें और उसे प्रोजेक्ट/फाइल में चिपकाएँ।

अपना हॉलिडे होमवर्क पूरा करते समय आप जानकारी, विचार, तथ्य और चित्र एकत्र करने के लिए Google Gemini और Perplexity AI जैसे AI रिसर्च टूल्स का उपयोग कर सकते हैं।

परियोजना मूल्यांकन (50 अंक)

मापदंड	अंक
विषय की समझ एवं अध्ययन	/10
रचनात्मकता एवं प्रस्तुति	/10
संस्कृत भाषा का प्रयोग	/10
संगठन एवं क्रमबद्धता	/10
प्रयास एवं पूर्णता	/10
कुल	50

FRENCH

Picture Research Activity-

Collect / Draw-

- 1 picture of a famous French monument.
- 2-3 pictures of showing French people greeting each other

Do all the work in A-4 /A-3 Sheets.

Assessment Rubrics -

Complete work	10 marks
Neat handwriting	10 marks
Timely submission	10 marks
Correct French vocabulary	10 marks
Proper content	10 marks
