AUGUST • Sunny, cloudy, rainy and snowy discoveries

How to use this portfolio

Use the clickable index to explore each activity. At the end of every activity page, select “Back to Creative Index” to return here.

My Body – My Body Puppet Activity

APRIL • CLASS KG 1

🌟 Activity Snapshot

Children explored body parts, facial features and expressions through drawing, colouring and handmade body puppets. The activity encouraged children to observe themselves, communicate ideas and express creativity.

🎯 Learning Highlights

- Identify and name familiar body parts.
- Explore facial features and expressions.
- Strengthen fine-motor and colouring skills.
- Build confidence through sharing creative work.

🌍 SDG Connection

SDG 3 – Good Health & Well-Being
SDG 4 – Quality Education

Plants Around Us Activity

MAY • CLASS KG 1

🌱 Activity Snapshot

Children stepped into the garden as little explorers and gardeners. They observed plants, planted and cared for young plants, and experienced teamwork while learning why plants are important.

🎯 Learning Highlights

- Observe different plants in the school environment.
- Practise planting and caring for green friends.
- Develop responsibility and teamwork.
- Build appreciation for nature and living things.

🌍 SDG Connection

SDG 4 – Quality Education
SDG 15 – Life on Land

Animals Around Us Activity

JULY • CLASS KG 1

🌟 Activity Snapshot

Through a cat craft activity, children learned about animals around them while creating, colouring and working together. The experience connected early science learning with imagination and art.

🎯 Learning Highlights

- Recognise familiar animals and their features.
- Express preferences such as a favourite animal.
- Develop creativity through craft and colouring.
- Practise collaboration and sharing.

🌍 SDG Connection

SDG 4 – Quality Education
SDG 15 – Life on Land

Exploring Weather and Time Activity

AUGUST • CLASS KG 1

✿ Activity Snapshot

Children explored common weather conditions—sunny, cloudy, rainy and snowy—while also connecting the activity to the idea of time and daily observation.

🎯 Learning Highlights

- Identify and talk about different weather conditions.
- Use simple weather vocabulary confidently.
- Observe changes in the world around them.
- Begin connecting routines, weather and time.

🌍 SDG Connection

SDG 4 – Quality Education
SDG 13 – Climate Action
